A PACK EXPO Custom Booth representative will work with you to design a custom rental booth specifically for you at a cost that will fit within your budget.

Our new Perspective Series™ collection of custom exhibit rentals offer several advantages:

- **Near seamless:** Large eye-catching graphic panels with almost invisible breaks allow for impactful messaging to your attendees.

Get a complete, professional, custom look at the cost of a rental!

Here are the advantages to working with PACK EXPO Services:

1. **Show Experience.** We are PES. We are familiar with the show, its special requirements, the facility, local personnel and show logistics. Other companies don't have this inside view and experience, which are invaluable to saving you money.
2. **Onsite Personnel.** Your booth team is onsite from move-in through move-out, and with you every step of the way.
3. **Shipping.** Several customers have already confirmed, which means that you will save money on shipping because we'll have multiple exhibits on our trucks.
4. **Access.** All the vendors, personnel, materials and show equipment are at your disposal, so any onsite change can be managed without worry. Only we can make you a VIP Exhibitor providing you with special attention throughout the show.
5. **Flexible Custom Exhibit Designs.** Showcase your products and services in a customized fashion, not with a package design you might see in your competitor's booth a few aisles over. Your objectives and your ROI remain at the top of our agenda.

So, let us help you. Call 972-751-9400 and ask for a PACK EXPO Custom Booth representative or email pes.custombooths@packexposervices.com for assistance. We look forward to working with you to save you time and money.
