Signs

In addition to the panels that line your exhibit, you might also need a specific sign promoting your latest product, announcing a giveaway, or an invitation to a demonstration. Popular sizes are 22"x 28" and 28"x 44"; these sizes work best on easels. Small signs measuring 7"x 11" are also great on tabletops. Large signs also can be made, measuring 40"x 60" or more.

Headers

Each modular Rental Exhibit includes a standard header with your company name. When upgrading to a custom header, our design team can assist you in visually attracting the attention your booth deserves.

Graphic Panels

Standard graphic panels can be created to fit any modular rental exhibit, or custom panels can be built. PES also offers backlit graphic panels. A perfect way to capture the attention of potential business.

Banners

Another way to promote your company and your products are wide banners across your booth, or perhaps in a sponsored conference room. Vinyl, cloth, and foamcore banners are available at any size.
