1 Targeted Move-In and Move-Out Information

Target dates for all inbound and outbound freight have been assigned to each PACK EXPO International and Healthcare Packaging EXPO 2018 exhibitor for installation (move-in) and dismantle (move-out) of display material, equipment and machinery at McCormick Place.

MOVE-IN AND MOVE-OUT SCHEDULES ARE PROVIDED IN THIS SECTION.

McCormick Place Marshalling Yard is located at the corner of **Moe Drive North** (see map in this section). **Operating hours for check-in are 5:00 am to 3:00 pm every day during the installation. NOTE:** Some exhibitors are scheduled for 7:00 am targets. If you target is 7:00 am, your carrier must arrive between 5:00 am and 7:00 am. If your target time is 12:30 pm, your carrier must arrive between 12:00 pm and 2:00 pm. If your carrier checks in any later than your allotted target time, they must wait until scheduled vehicles are unloaded first, thus increasing your chances of overtime charges.

Your carrier must arrive at the McCormick Place Marshalling Yard and the driver must check in to receive an unloading / loading ticket and a window card prior to your designated target date / time, to guarantee same day unloading / loading.

PACK EXPO Services is not responsible for waiting time charges.

McCormick Place Marshalling Yard operating hours during dismantle are 5:00 am to 3:00 pm.

Important: All drayage/material handling is included in your space rate, provided your shipment/truck checks in at McCormick Place Marshalling Yard by 2:00 pm on your assigned-targeted move-in date and time. A special assessment will apply to off-target shipments (inbound only) and advance warehouse shipments. See the Material Handling Rates form in Section 3 for cost.

Advance Warehouse: Those exhibitors who advance ship their display material, equipment or machinery to the Advance Warehouse, or by Kuehne and Nagel Freight Forwarders, will have their material automatically delivered to their booths by the assigned target date and time.

International and Canadian Shipments: Neither PES, PMMI nor McCormick Place, can provide a tax ID number for customs clearance. It is the responsibility of a licensed customs broker to provide this service and insure passage of the show materials into the United States. All freight should be consigned to a certified broker for customs clearance.

If your company cannot adhere to the scheduled inbound and/or outbound dates as assigned, please send an email request for a date change to PACK EXPO Services by Friday, September 21, 2018.

The following tips will help you understand and use the floor plan and the freight target program:

- To determine your assigned target date and time, find your booth and match the color to the key.
- **TARGET TIME IS FOR CHECK-IN AT THE MARSHALLING YARD ONLY. Actual unloading could take many hours. Target dates apply to machinery and display materials only. PES is not responsible for carrier wait time charges.**

- If materials are not properly identified, they will be classified as Display Material.
- Off target display material and machinery will be subject to overtime charges if unloaded on overtime.
- Target assignments have been determined by booth size and location on the show floor.
- If you ship your materials to PACK EXPO Services advance warehouse by Friday, September 28, 2018, we will have your materials delivered to your booth on or prior to your assigned target date.
- Make certain that your shipping department, freight carrier, non-official contractor and/or display house receive copies of this page and map. Compliance with the installation target date will contribute greatly to cost and time efficient set-up.
