## Signs

In addition to the panels that line your exhibit, you might also need a specific sign promoting your latest product, announcing a giveaway, or an invitation to a demonstration. Popular sizes are 22"x 28" and 28"x 44"; these sizes work best on easels. Small signs measuring 7"x 11" are also great on tabletops. Large signs also can be made, measuring 40"x 60" or more.

## Headers

Each modular Rental Exhibit includes a standard header with your company name. When upgrading to a custom header, our design team can assist you in visually attracting the attention your booth deserves.

## Graphic Panels

Standard graphic panels can be created to fit any modular rental exhibit, or custom panels can be built. PES also offers backlit graphic panels. A perfect way to capture the attention of potential business.

## Banners

Another way to promote your company and your products are wide banners across your booth, or perhaps in a sponsored conference room. Vinyl, cloth, and foamcore banners are available at any size.

# Change your Perspective™

**The way you look at rental exhibits is about to change forever.**

The Perspective™ Series line of exhibit rentals for PACK EXPO Services offers you unmatched quality, price and flexibility to effectively and affordably meet your exhibit goals.

An exhibit rental can be a great choice if you are a new exhibitor, exhibit only occasionally, or change your look often. You can also add Perspective™ rental elements to your existing exhibit for a larger presence on the show floor.

The Perspective™ Series from PACK EXPO Services can provide you with the exhibits of all sizes and designs. With custom modular components, your exhibit can be built up to 12' in height and expanded to any width to fit your booth.

**No longer are you boxed into the same configuration.** Powered by the beMatrix system, these exhibit options have the look and design of a custom-build exhibit, while having the modularity and possibilities of a system.

The underlying structure is hardly visible, leaving more space for graphics and giving you a near-seamless design. Imagine: the polished look of custom for the price of a rental.

**It's time to change your rental exhibit Perspective™**

Enable close-up networking around fresh looking counters or launch your product demo to new heights with a sleek and curvy configuration. Every Perspective™ Series exhibit can be customized to your specific needs.

Pricing before the PACK EXPO discount deadline begins as low as \$3800 for 10'x10' units and includes backwall unit with custom graphics printing, along with counters and shelves as shown. Call your Customer Account Manager to discuss adding carpet, cleaning, furniture, electrical and AV services.

A PACK EXPO Custom Booth representative will work with you to design a custom rental booth specifically for you at a cost that will fit within your budget.

Here are the advantages to working with PES:

1. **Show Experience.** We are PES. We are familiar with the show, its special requirements, the facility, local personnel and show logistics. Other companies don't have this inside view and experience, which are invaluable to saving you money.
2. **Onsite Personnel.** Your booth team is onsite from move-in through move-out, and with you every step of the way.
3. **Shipping.** Several customers have already confirmed, which means that you will save money on shipping because we'll have multiple exhibits on our trucks.
4. **Access.** All the vendors, personnel, materials and show equipment are at your disposal, so any onsite change can be managed without worry. Only we can make you a VIP Exhibitor providing you with special attention throughout the show.
5. **Flexible Custom Exhibit Designs.** Showcase your products and services in a customized fashion, not with a package design you might see in your competitor's booth a few aisles over. Your objectives and your ROI remain at the top of our agenda.

**So, let us help you.** Call 972-751-9400 and ask for a PACK EXPO Custom Booth representative or email [pes.custombooths@packexposervices.com](mailto:pes.custombooths@packexposervices.com) for assistance. We look forward to working with you to save you time and money.
