Have your own idea?

We can help you design your own booth.

It's easy!

Configure a booth to meet your specific needs.

Our design department will bring it to life.

Using the same materials as the drawings in the previous pages, you can design your own booth layout. Reference the order form on the following pages, sketch out your idea and submit your order. Your Customer Account Manager will review the drawing for any questions and quote you a cost... it's that easy!

Once you approve the quote, a detailed drawing will be created and reviewed by a Modular Systems Expert. This expert will confirm the booth design is structurally sound and follows all Show Management

guidelines. The drawings are sent to you for one last review and you're done. The next time you see the design again will be when it's standing in your booth.

It's a quick and easy option providing exactly what you want at an affordable price. You design it, we build it. Order it today.

Signs

In addition to the panels that line your exhibit, you might also need a specific sign promoting your latest product, announcing a giveaway, or an invitation to a demonstration. Popular sizes are 22"x 28" and 28"x 44"; these sizes work best on easels. Small signs measuring 7"x 11" are also great on tabletops. Large signs also can be made, measuring 40"x 60" or more.

Headers

Each modular Rental Exhibit includes a standard header with your company name. When upgrading to a custom header, our design team can assist you in visually attracting the attention your booth deserves.

Graphic Panels

Standard graphic panels can be created to fit any modular rental exhibit, or custom panels can be built. PES also offers backlit graphic panels. A perfect way to capture the attention of potential business.

Banners

Another way to promote your company and your products are wide banners across your booth, or perhaps in a sponsored conference room. Vinyl, cloth, and foamcore banners are available at any size.
