

All standard material handling charges are included in your space rate if you conform to your targeted inbound and outbound times.

1 What is Material Handling?

Material handling (drayage) is the process of receiving your materials or equipment, either at the warehouse in advance of the show or at show site during move-in; delivering them to your booth; removing empty containers for storage during the show; returning the empty containers to your booth after the show; delivering your materials back to the dock; and loading them for outbound shipping.

Material Handling charges are calculated per one hundred pounds (100 pounds = 1 CWT).

Each shipment will be rounded up to the next higher cwt (i.e. 245lb. shipment will be counted as 3 CWTs). There is a minimum charge of 10 CWTs.

2 Standard Material Handling

- All material handling charges for direct shipments are already included in your space rate regardless of weight or number of shipments, provided your shipments/trucks check-in at the PACK EXPO Services Marshalling Yard by 2:00 pm on your assigned-targeted move-in date and time.
- **This pre-paid fee also includes a one-time spot of equipment and display material. Any additional rigging or booth work will be done at the exhibitor's expense. Exhibitor must be in the booth in order to take advantage of the one-time spot.**
- Any freight which requires assembly, unskidding, uncrating, unbolting, stacking or special equipment for unloading (including 30,000 pound forklifts and cranes) and anything else which makes your machinery/freight non-show ready is **NOT** eligible for the one-time spot. Additional Rigging and Material Handling charges could apply.
- All outbound material handling is included in the space rate and no overtime charges will apply.
- Special Assessment fees will only be applied in certain circumstances and they are defined below.

NOTE: Special rate includes material handling for the Primary Exhibitor's display material and equipment only. Any additional product or equipment is subject to additional billing. Primary Exhibitor is defined as the exhibitor who signs the Exhibit Space Application and Contract.

- A special assessment may apply to any inbound shipment which checks-in after 2:00 pm Monday through Friday, or any off target shipments received Saturday or Sunday. The fee is \$16.00 per hundred weight (cwt) with a \$160.00 minimum.
- A special assessment will apply to all advance warehouse shipments which includes:
