Deadline: March 14, 2022

All exhibitors must have prior approval from PACK EXPO Services to install a hanging sign. Complete pages 6-8.

2 Rules and Regulations

These rules and regulations provide absolute limits which cannot be exceeded under any circumstances or conditions.

1. The top of the hanging material may not exceed the height limitation specific to your booth type, building, and/or specific show rules.
2. All hanging items, regardless of size, should be constructed of lightweight materials to allow greater flexibility and ease of installation.
3. Fire Retardant regulations also apply to hanging items.
4. Hanging material pick-points must be pre-fabricated and ready for use.
5. The exact placement of any hanging items shall be determined by PACK EXPO Services to ensure minimum stress to the supporting framework and avoid contact with fire retardant beams.
6. No hanging items are to be hung from any electrical fixtures, raceways, water, gas, air, fire protection, communications lines, piping, supports or hangers.
7. All electrical and neon items must conform to the National Electrical Code and Local Electrical code.
8. We reserve the right to refuse to hang any items that do not meet safety specifications. We will only hang items with approved hanging devices and cables that meet our hanging items guidelines.

3 Electrical General Information

PES is responsible for supervision, installation and removal of all electrical hanging signs.

Supervision of the hanging of your sign will be accomplished by PES. If you wish to be present during installation, it is the responsibility of your company to have a representative available at the time of construction and installation of the hanging sign.

Remember:

1. All signs must be designed to comply with Show Management rules and regulations and facility limitations.
2. Make sure all signs have structurally engineered rigging points as well as blueprints displaying a current structural engineer's stamp.
3. Make sure your electrical hanging sign is in working order and in accordance with the National Electric Code. Place your order for electrical services and electrical labor on the Electrical Services Order Form.
4. Include exhibitor contact information with the order.
5. Include engineer-stamped assembly and hanging instructions with the order. PES accepts no liability for any work completed without such instructions, when required. Work is done at exhibitor's risk and exhibitor shall indemnify and defend PES and Show Management from any claims arising out of or related to the installation of any sign without approval drawings.
6. Setup instructions must be provided for signs needing assembly.
7. All electrical sign rigging must be approved by PES.

4 Pricing

The guaranteed Advanced Rate will be applied rather than the Standard Rate if the following conditions are met:

1. Hanging Sign is received at the advanced warehouse by March 14, 2022.
2. Hanging sign is separated and clearly marked with the specific hanging sign labels included in this manual
3. All required paperwork is submitted to PES (forms 6-8) prior to February 7, 2022.
4. Your hanging sign request has been approved for install by show management.

If these conditions are met your sign will be hung by PES at the most convenient time based on schedule and freight congestion.

Standard Rates will apply if any of the conditions listed above are NOT met or if you specifically request to be present to supervise your sign installation.

PENNSYLVANIA CONVENTION CENTER (PCC) RIGGING REGULATIONS

Please carefully read these regulations. The Pennsylvania Convention Center will strictly enforce these rules.

1. Any object over 200 lbs. or requiring chain motors must be submitted to PES for approval by the Pennsylvania Convention Center.
2. All rigging plans must be submitted to the Rigging Manager at PES 21 days prior to the start of rigging Installation for group submittal to the PCC.
3. All rigging plans must state the structure of rigging, weights and an overlay of the rigging within your booth space. PES is required to reflect the plot plan for all booths on the overall ceiling plan for each show. The exhibitor will be charged \$130.00 per hour straight time to transfer the plot plan to the overall ceiling grid that PES is required to submit to the Pennsylvania Convention Center for approval. All files should be in DWG format. VectorWorks and PDF format files are not acceptable. Any conversion to DWG will be charged to the exhibitor at \$130.00 per hour straight-time.
4. The exhibitor will provide the certifications for all hoist motor and rigging apparatus to the Director of Engineering upon request by the Pennsylvania Convention Center.
5. All special and unusual weights, motors apparatus or items not normally hung must obtain written permission from the Director of Engineering. Exceedingly large rigs that support abnormal loads, or non-uniform distribution of weight or hardware, may require (at the exhibitor's expense) plans that have been approved and stamped by a licensed engineer selected by the PCC.
6. Any weight load exceeding the pre-approved limits is subject to removal at the exhibitor's expense.
7. PES cannot hang any object prior to approval from the Director of Engineering or his/her representative.
8. Weight on the catwalks will not exceed over 25 pounds per square foot.
9. There will be no rigging under the catwalk structures.

Advanced Rates Apply: If your sign is approved by show management, arrives at the advance warehouse and forms 6-8 are submitted prior to February 7, 2022, your sign will be hung by PES at the most convenient time which may be before your company's official target move-in date.

Standard Rates Apply: In the event that the order and sign are not received at the advance warehouse by March 14, 2022, the standard rates will apply. The sign will be assembled and hung when equipment and labor become available and any freight congestion is resolved. PES will begin the assembly and hanging of signs as soon as the hall is accessible.

Set-up instructions must be provided for signs.

For exhibitors wishing to be present to supervise the installation of your hanging sign, Standard Rates will apply. It will be the responsibility of your company to have a representative available at the time of construction and installation of the hanging sign.
