DISTRIBUTECH International 2023
San Diego Convention Center
San Diego, CA
February 7-9, 2023

It can be easy to be green. The Expo Group reduces, reuses, recycles and encourages you to do the same.

Your Booth

- Order booth services online to reduce paperwork.
- Rent carpet directly from us to be sure it contains recycled content and is recyclable.
- Ask about graphics and signs that can be made from materials containing recycled content and are recyclable.
- Consider our Perspective Rental Exhibits or modular Octonorm rental systems to assure your booth is reused and recycled.

In Your Booth

- Be sure any printed materials given away in your booth are on recycled paper.
- Reduce the amount of booth literature by providing access to digital files.
- Consider printing locally what needs to be printed rather than shipping in paper.
- Order giveaways responsibly to avoid toxic materials and useless products that will end up in the hotel room trash.

Shipping Your Booth

- Clean your space when the show closes to be sure possible recyclable or reusable items are not left behind.
- Ask about caravans and consolidated shipments going to another industry show to save on fuel emissions.
