DISTRIBUTECH International 2023
San Diego Convention Center
San Diego, CA
February 7-9, 2023

**Discount Deadline:
January 3, 2023**

All Air and Water must be ordered through The Expo Group

- ⇒ All outlets will be installed at the rear of the booth unless otherwise specified on your floor plan.
- ⇒ All connections more than 10' apart will require a new outlet. All outlets include 50' of line from the closest available outlet, anything after 50' will incur additional footage.
- ⇒ Plumbing contractor will not be responsible for moisture, water or oil in the air lines, or loss of flow or drop in pressure in line to equipment. Exhibitors should supply their own filters, dryers or other equipment for moisture control.
- ⇒ Water pressure may vary. No guarantee can be made to minimum and maximum pressure. If pressure is critical exhibitors should arrange to have a pressure regulator valve installed.
- ⇒ Plumbing contractor is not responsible for sediment, color, or taste of water.
- ⇒ Plumbing contractor is not responsible for color or sediment in water fill.
- ⇒ If waste water contains hazardous materials, chemicals or metals it cannot be drained.
- ⇒ Additional charges may be incurred if equipment leaks and/or endangers other property.
- ⇒ Ramps over utility lines in a booth are provided on a time and material basis.
- ⇒ A minimum of one hour additional labor will apply to lay lines under carpet or flooring or to spot line from ceiling. A minimum of one hour to remove lines.
- ⇒ Please attach floor plan if distribution is needed.
- ⇒ Gases and Misc. equipment-please call for a quote.

IMPORTANT:

To receive advance show prices, we must receive your order, along with payment in full or credit card authorization by January 3, 2023. All other orders will be charged at standard price.

Your order with full payment along with a floor plan indicating main service location and distribution points, if applicable, must be received by the discount deadline. Pricing for your air and water order is determined by the date when the floor plan is received.

Note: Linear booths requiring standard placement [back center of booth] do not require a floor plan.

Air and Water Floor Plans received by The Expo Group less than 5 business day prior to the first day of exhibitor move in will be subject to an additional \$300.00 floor plan expedite fee. This is in addition to Standard Pricing for air and water.

Cancellations received less than 10-days prior to the first day of exhibitor scheduled move-in will be billed at 100%.

LABOR:

Labor before 8:00 am and after 4:30 pm and Saturdays, Sundays, and holidays will be at the overtime rate. Starting Time can only be guaranteed when labor is requested for the start of the working day at 8:00 am. The minimum charge per booth is one hour for installation and one-half (1/2) hour for dismantle. Time will commence per exhibitor's request. All labor requests require a credit card on file. Labor rates are subject to Union contract effective at time of show.

TEG does not control the event schedule, therefore cannot control if setup/disconnect is during straight time or overtime hours.
