

Attention PACK EXPO Exhibitors

225 Square Feet and Under:

PACK EXPO Services (PES) has just made EXHIBITING EASY FOR YOU!

We created three comprehensive booth packages especially for booths 225 square feet and under. All of your booth needs are now bundled together in one-easy to order-package. Now you don't have to read and complete multiple forms, simply contact your Customer Account Manager (CAM) select a package and you are done!

Enclosed are the new packages including furniture, drape or hardwall display, company identification sign, carpet, cleaning and basic electrical. For booths 225 square feet or less, this could be the perfect solution.

BASIC PACKAGE has the furniture and booth setup that you need to hit the ground running when you arrive at the show.

TURNKEY PACKAGE adds hard wall rental exhibit options to enhance your booth space.

These Packages will be set up and ready for you by 5:00 p.m. on your company's inbound target date.

Contact your CAM today to select the package that best suites your needs and budget. Then you can focus on pre-show promotion to increase your company's return on investment from PACK EXPO.

We look forward to helping you have a **SUCCESSFUL PACK EXPO**

Designating Custom Placement will incur additional electrical labor costs.

Using the legend below, please complete this form for all utility services you order. A change of location on an installed or partially installed utility service may result in additional costs to you. If you are submitting your own detailed drawing, be sure to include the following items:

- 1. Location of the main power drop**—Power needs to be distributed from one location at which a panel or other piece of electrical equipment will be installed. It is recommended that this equipment be placed in a closet, under a table/desk or in another location that keeps it out of sight. Please provide specific dimensions.
- 2. Location and load of all outlets**—Provide specific dimensions and wattages/amperages. *Please do not simply place an X where power is required.*
- 3. Booth orientation**—Provide surrounding aisle and/or booth numbers, particularly for Island booths. Try to orient your booth to the overall floor plan so that the diagram does not have to be rotated.

Have your own idea?

We can help you design your own booth.

It's easy!

Configure a booth to meet your specific needs.

Our design department will bring it to life.

Using the same materials as the drawings in the previous pages, you can design your own booth layout. Reference the order form on the following pages, sketch out your idea and submit your order. Your Customer Account Manager will review the drawing for any questions and quote you a cost... it's that easy!

Once you approve the quote, a detailed drawing will be created and reviewed by a Modular Systems Expert. This expert will confirm the booth design is structurally sound and follows all Show Management

guidelines. The drawings are sent to you for one last review and you're done. The next time you see the design again will be when it's standing in your booth.

It's a quick and easy option providing exactly what you want at an affordable price. You design it, we build it. Order it today.
