

Change your Perspective™

The way you look at rental exhibits is about to change forever.

The Perspective™ Series line of exhibit rentals for PACK EXPO Services offers you unmatched quality, price and flexibility to effectively and affordably meet your exhibit goals.

An exhibit rental can be a great choice if you are a new exhibitor, exhibit only occasionally, or change your look often.

No longer are you boxed into the same configuration. Powered by the beMatrix system, these exhibit options have the look and design of a custom-build exhibit, while having the modularity and possibilities of a system.

The underlying structure is hardly visible, leaving more space for graphics and giving you a near seamless design. Imagine: the polished look of custom for the price of a rental.

Enable close-up networking around fresh looking counters or launch your product demo to new heights with a sleek configuration.

Units include backwall with custom graphics printing, along with counters and shelves as shown. Call your Customer Service Manager to discuss adding carpet, cleaning, furniture, electrical and AV services.

It's time to change your rental exhibit Perspective™
