# Maximize your trade show space

Selecting the right furniture sets the tone for attendee engagement, educational sessions, networking, and presentations.

## Network and collaborate

### Soft seating

Establish a cohesive look to connect and engage in any space.

### Accent chairs

Create a welcoming environment that serves function, style, and comfort and can scale for group or individual seating.

### Tables and chairs

Height can influence the type of engagement held, whether it's a casual chat at bar height or a longer connection at a café table.

## Stand out from the crowd

A pop of color ensures your exhibit is unique to your brand, theme, and trade show goals.

## Ottomans

Ottomans bring additional seating with flexibility and modularity to move around any space. Pick from a variety of colors and sizes that meet your presentation needs.

## Group seating

Create a memorable experience with maximum impact by creating lounge areas, hospitality suites, and VIP sections.

## Stage seating

Put your presenters center stage, while providing comfort and style with the right accent chair.
