ELECTRICAL AND PLUMBING SERVICES

This section includes:

- Electrical Information
- Electrical Service Usage Guide
- Electrical Service
- Plumbing Information
- Plumbing Service

General information

Exhibitors requiring electrical services should thoroughly read and understand the [rules and regulations](#).

Determine your electrical requirements:

Equipment

All electrical equipment is stamped or labeled with electrical ratings usually found on the back or bottom of the equipment.

- Verify voltage and either amperage or wattage from the information provided.
- Standard office and household items operate on 110/120 volt power.
- Machinery and equipment typically require 208 or 480 volt power.
- Separate outlets should be ordered for each piece of equipment.

Refer to the [Electrical Services Usage Guide](#) for wattage estimates of some common items.

Lighting

- Verify the wattage of the bulbs in the lights and multiply by the number of bulbs/lights.

Uninterrupted power (24-hour power)

- If uninterrupted power supply is required for the full duration of the show, order 24-hour power.
- Electricity is turned on 30 minutes prior to show opening and turned off 30 minutes after the show closes on show days.
- Power will be turned off immediately after final show closing.
- If power is required outside actual show hours, special arrangements should be made in advance.

Location of power in your booth

To accommodate possible power requirements, electrical outlets will be installed in every inline booth. When power is not being provided, an audit will be conducted by electricians and onsite charges will apply if the electrical service is utilized without an order on file.

Exhibitors with hard wall displays must arrange for power to be installed inside the booth or provide access.

Inline and peninsula booths

Power will be installed in one location, typically on the floor somewhere along the back of the booth, as indicated in the following diagrams: (We cannot guarantee that the outlet will be specifically located in the middle.)

IN-LINE BOOTHS / PENINSULA

BACK TO BACK PENINSULA

If power is required in locations other than indicated above, secondary distribution will be required and billed on a time and material basis. Please order Electrical Labor and include a floor plan indicating the desired power locations.

Login to Exhibitor Resource Center to order

(All orders must be submitted online - PDF forms will not be accepted)

Island booths/multiple outlets

Floor plans are always required for Island Booths and orders for multiple outlet locations. The floor plan must indicate booth dimensions, surrounding booth numbers for orientation within the facility, each outlet location, required wattage or amperage and location for main drop. If power location in an island booth is not provided prior to show move-in, a location will be determined by PACK EXPO Services to maintain delivery schedules. Relocation of the service will be charged on a time and material basis. See examples below

Labor information

Labor types include the following:

- Floor work: the distribution of electrical under carpet and flooring.
- Booth work: the distribution of electrical overhead and/or throughout the booth structure. Includes but is not limited to: mounting of plasmas / LCD monitors and lights, connection or hard wiring of all exhibitor equipment, installation of electrical headers and/or light boxes.
- Electrician: the labor needed to connect machines to high voltage power.
- Labor is required for all electrical work over and above the installation of the main power drop.
- If you require your power from overhead, additional materials and labor charges may be incurred.
- Labor must be picked up at the Exhibitor Service Center. Charges for labor commence at time of dispatch to service the labor call.
- Labor charges will include the time for electricians to gather the necessary tools and materials for the job, have their work checked by the client and return the tools and materials to the supply area.
- Start times are guaranteed only at the start of the workday.
- **Overhead Outlet Prices now include lift and labor to bring service to your booth. Any floor work or connection labor will incur additional charges.**

Lighting information

- Single or double lights stand prices include installation along the side rails of an inline booth. Placement elsewhere will require additional labor and materials.
- Overhead quartz lights include labor and equipment to install and the first focus. Depending on the venue structure or additional restrictions, there may be additional labor and/or lift charges.

Rate information

- Cables that are needed to deliver and distribute electrical to the outlets in booth space, tape, and power strips are included in the outlet price which has been adjusted to bundle these into the one rate. Custom materials items like disconnects, transformers, breaker panels, and labor are NOT included in the bundle price.
- Labor rates are based on current wage scales and are subject to change in the event of a wage increase after rates have been published.
- A minimum charge of one hour is applicable to all labor requests. Additional time on the same day is billed in 1/2 hour increments. Continuations to another day are a minimum of 1 hour.
- Dismantle labor will be automatically charged at 35% of the installation time and rounded to the next half hour. There is no need to order electrical dismantle labor. For island booths with no labor ordered, there is a 1 hour minimum installation charge and a 1 hour minimum dismantle charge.
- Power sharing is not permitted between exhibitors.
- Show site rates are applicable to all labor orders placed at show site.

PACK EXPO Services and venue equipment and material information

- Standard wall and other permanent building utility outlets or sockets are not part of booth space and may not be used by exhibitors unless electrical services have been ordered.
- All material and equipment provided by PACK EXPO Services is for rental purposes only and remains the property of PACK EXPO Services. All equipment will be removed at the close of the show by PACK EXPO Services.

Other equipment and material information

- All equipment regardless of power source, must comply with Federal, State and local codes as well as any applicable local recognized electrical authorities and standards. PACK EXPO Services reserves the right to inspect all electrical devices and connections to ensure compliance with all codes and proper permitting. PACK EXPO Services is required to refuse connections where the exhibitor wiring is not in accordance with local electrical code and permitting.
- If electrical services are ordered for LED and/or video display systems, the systems must comply to ANSI E1.50-1. This applies to ground supported and suspended LED and video display systems.
- Exhibitors' cords must be a minimum of 14-gauge 3 wire with ground and must be flat when used for floorwork. All multi-outlet devices (e.g., power strips) must have circuit protection. All exposed non-current carrying metal parts of fixed equipment, which are liable to be energized, shall be grounded. Exhibitors may supply their own 14-gauge 3 wire, extension cords and/or power strips, both of which must be grounded, and UL approved.
- Running any electrical cords **over** carpet is **prohibited**. This includes the use of over carpet Wire Covers like the below example. Floor work must be done by PACK EXPO Services electricians.

- Extension cords and power strips owned and used by Exhibitors must comply with the City of Chicago Electrical Code.
- Exhibitors' equipment will be modified to conform to PACK EXPO Services receptacles. If an outage is the result of an exhibitors' equipment, then a labor charge may be assessed. Labor and materials to install or change a cord cap or fix an outage will be billed on a time and material basis.
- Exhibitor provided equipment for electrical distribution or equipment connection shall require PACK EXPO Services to make the final connection from PACK EXPO Service's power distribution equipment to the exhibit. This is required only to ensure proper voltage and connection prior to energizing exhibits and exhibit materials.
- As an exhibitor, should you choose to provide equipment with electrical connectors to plug directly into PACK EXPO Services electrical equipment, the following list provided will ensure the proper connection:
 - 500 Watts to 2000 Watts - Standard U-Ground 15- or 20-Amp Cord Cap / 5-15P or 5-20P
 - 20 Amp 120/208 5 Wire - Hubbell Male - HBL 2511 / L21-20P
 - 20 Amp 480v 5 Wire—Hubbell Male—HBL 2521 / L22-20P
 - 30 Amp 120/208 5 Wire - Hubbell Male - HBL 2811 / L21-30P
 - 30 Amp Y277 / 480 5 Wire - Hubbell Male - HBL 2821 / L22-30P
 - 60 Amp 208v & 480v GEHR Power Systems 5 Wire Male J560PFGP
 - 60 Amp 208v & 480v Hubbell 5 Wire Male HBL5607P
 - 100 Amp 208v & 480v Mini-Cam - Male Leviton 15SDM - Female 15SDF (Hots - Male Neutral & Ground - Female)
 - 200 / 400 Amp 208v & 480v Large-Cam - Male Hubbell HBL 400PT EKE - Female Hubbell HBL 400CT (Hots - Male Neutral & Ground - Female)
- All the above listed items may be found at your local electrical wholesale houses. Should you require additional information,

November 3-6, 2024

Electrical Service

**Discount Deadline:
September 16, 2024**

- Your order with full payment along with a floor plan indicating main power location and distribution points, if applicable, **must be received prior to Discount Deadline date to receive Advance rates.**
- **Multiple Outlet Locations:** A scaled floor plan is required for orders with multiple outlet locations and/or island booths. (Please see examples of ideal floorplan). If a power location or main drop in an island booth is not provided prior to show move-in, a location will be determined by PACK EXPO Services in order to maintain delivery schedules. Relocation of the service will be charged on a time and material basis.
- **Island Booths:** For island booths with no labor ordered, there is a 1/2 hour minimum installation charge and a 1/2 hour minimum dismantle charge.
- **24-Hour Services:** If an uninterrupted power supply is required for the full duration of the show, please order 24-hour power. Electricity is turned on 30 minutes prior to show opening and turned off 30 minutes after show closes on show days. Power will be turned off immediately after final show closing. If you require power outside actual show hours, special arrangements should be made in advance. Additional charges may apply
- **Cables, tape, cords, and power strips are included in the outlet price which has been adjusted to bundle these into one rate. Custom material items like quad boxes, disconnects, transformers, or breaker panels, etc. are not included in the bundle.**
- **Separate Outlets:** Separate outlets should be ordered for each piece of equipment and/or each power location.
- Temporary hoist power must be ordered separately and cannot be ordered in conjunction with any other outlet.
- **High Voltage Overhead Power: Overhead Outlet Prices now include lift and labor to bring service to booth. Any floor work or connection labor will incur additional charges.**
- Power strips are available at the PACK EXPO Services Center for rent, but exhibitors may supply their own.
- **Light Stand Placement:** For single or double light stand, price includes installation if along the side rails of an in-line booth. Placement elsewhere will require additional labor and materials.
- Equipment and Labor cancelled without 24-hour notice will be charged a one (1) hour cancellation fee per Electrician and Condor/Lift. Cancellations received after installation will be billed at 100%. Please refer to the show Terms and Conditions for additional information.

FLOOR WORK:

Floor work is the distribution of electrical under carpet and flooring.

- Please indicate online if OK TO PROCEED without Exhibitor present. (Detailed blue prints/floor plans for power distribution under carpet)
- If Exhibitor Supervision is required, work will not be performed until exhibitor is present.

BOOTH WORK:

Booth work is any of the following. Please indicate online all that apply:

- Distribution of electrical overhead (more than one drop location in your booth).
- Mounting of Plasmas/LCD monitors and lights.
- Connection or hard wiring of all exhibitor equipment.
- Lighting used as a spot or flood lights
- Assembly and installation of all lighting from truss or beams (including assembly and hanging of truss)
- Wiring of overhead signs.
- Installation of electrical headers and/or light boxes.

Plumbing Information

Discount Deadline:
September 16, 2024

- To receive advance rate, all orders, payment and accurate floorplan must be submitted by **September 16, 2024**.
- Determine how many pieces of equipment will need to be connected to either Air, Water, Drain, or Natural Gas.
- Package pricing for services includes: all materials with up to 75' of hose per primary service and an additional 10' per secondary service, labor for transferring location from drawing to floor and installing of services.
- **A HOOKUP fee is required for each service:** includes Nominal AM. standard air, water, drain, and gas from 1/8" -1". All connections not standard will incur an additional labor and material charge . We do not supply Metric fittings for connections.
- All fill and drain will be on fill and drain service pricing with a minimum of 1 hour labor for filling and draining. All other plumbing services such as anchors, welding, grinding, and rental items will be based on time and material.
- All connections from service to equipment will be performed by PES personnel only.
- OVERHEAD OUTLETS ONLY AVAILABLE IN UPPER NORTH (HALL B2) AND LOWER LAKESIDE. ALL OTHER HALLS NEED TO ORDER FLOOR OUTLETS AND INDICATE ON FLOOR PLAN IF YOU WANT A MAIN DROP LOCATION.
- **In-line booths and Peninsula booths** will have service brought to center back at curtain line if no floor plan is submitted with order. Airline sizes must be confirmed when ordering. If size is not indicated with order, we will provide a minimal size of 1/4" nominal.
- **Island booths requesting service** need to submit a detailed floor plan with order showing where services need to be installed. Without a floor plan, services could be delayed and additional costs incurred.
- After initial services are installed, any changes to installation will be on a new labor ticket and materials order.
- PES is not responsible for moisture, oil, water, drop or increase in pressure in lines to equipment. Exhibitors should provide their own filters, dryers or other equipment as needed.
- **No compressors are allowed on the show floor other than those supplied by PES.**
- PES reserves the right to size air services by supplied CFM's required for each outlet:
 - 1/4" Line = 1 - 25 CFM @ 90 PSI
 - 1/2" Line = 26 - 60 CFM @ 90 PSI
 - 3/4" Line = 61 - 115 CFM @ 90 PSI
 - 1" Line = 116 - 150 CFM @ 90 PSI
- **You must specify line size used per outlet when placing your order.** Minimum line size for water and/or drain service is 1/2" nominal.
- All air services shut down one (1) hour after the show closes.
- PES is not responsible for discoloration, taste, sediment or drop in water pressure.
- **Pricing Excludes:** Ramping which is a time and material cost, any applicable fees or taxes, any above and beyond the normal requests for hardware, specific brand products, pressure regulator valve installations, and/or major equipment/machinery retro fitting and assembly. **Any and all work requested to be done on OT or DT, or any floor or booth work scheduled outside of the package scope of work, will be done at the published hourly labor rates and noted on change order or supplemental work tickets, which will be signed by the exhibitor(s) as the work is performed and completed.**

***** A floorplan is required for all airlines and water/drain outlets. The floorplan needs to show what booths are on each side of exhibitor booth, and indicate where each airline or outlet type is needing to be installed. The quantity of each outlet type ordered needs to match the floorplan. Any revisions for floorplan needs to be submitted by October 10, 2024 or Standard Rates will apply for the total plumbing order.*****

Chicago, Illinois USA

Plumbing Information

Discount Deadline:
September 16, 2024

Things to consider when selecting air line sizes:

- Base airline size needs off of your CFM requirements.
- To avoid possible safety/tripping hazards, if you order a line larger than 1/4", you may need to order carpet padding for under carpet lines; or consider overhead drops instead. Contact your Customer Service Manager for more information.
- The available sources for plumbing service in each building location are as follows:

Building	Hall	Floor	Overhead
South	A1, A2	X	
North	B1	X	
North	B2		X
Lakeside Upper	D1	X	
Lakeside Upper	D2	X	
Lakeside Lower	E	X	X
West	F1	X	
West	F2	X

- Internet Service

November 3-6, 2024
Chicago, Illinois USA

A/V & Computer Terms & Conditions

**Discount Deadline:
September 16, 2024**

- All Audio Visual and Computer Equipment rentals at McCormick Place are subject to installation and dismantle labor. The labor to install and dismantle will be added to your account when ordering. Additional wait time, etc. on site will be charged to your account accordingly. For budgeting purposes, estimated hours have been noted with each package.
- Rental of audio visual equipment in meeting rooms may require union labor to operate in addition to standard installation and dismantle labor. The equipment is subject to a rental tax. All appropriate fees will be added to your final invoice.
- **Electrical Services are not included in the equipment pricing. You must order electrical to power items on the show floor and in any meeting rooms.**
- Mounting of any rental equipment will be performed by Electricians. If mounting equipment above 6' from the floor, additional labor will be applied. PES is **NOT** responsible for attaching any mounting hardware to the structure. Please ensure the hardware is attached to the structure **PRIOR** to your installation.
- Additional labor may be required for more extensive/complex sets or if placement location is changed after original placement. For orders of three (3) or more monitors, please contact your Customer Service Manager for a labor quote.
- Orders confirmed and submitted with payment prior to Discount Deadline Date, will receive the advance rate. **The discount does not apply to labor.**
- **Dates available online for delivery:** Thursday, Oct. 31 (afternoon slots only), Friday, Nov. 1 and Saturday, Nov. 2 (morning slots only).
- **Times available online for delivery:** 8:00-10:00am, 10:00am-12:00Noon, 1:00-3:00pm or 3:00-5:00pm
- Custom Lighting Packages, Video Walls and large Flat Screens are available upon request.
- Exhibitor is responsible for any loss of or damage to the equipment, when it is outside of PES's care, custody or control. PES reserves the right to charge Client for any necessary repair or replacement costs and such amounts, if any, may be added to final invoices.
- For equipment not listed or assistance in placing your order, please contact your Customer Service Manager.

MEETING ROOMS

- To inquire about availability of space, to reserve a room, or get further information and pricing for your basic room set needs, please email meetingrooms@pmmi.org.

Telephone Terms and Conditions

Discount Deadline:
September 16, 2024

- In an ongoing effort to make McCormick Place a simpler place to do business, Telephone Services include the following:
 - Unlimited Free Toll-free calls
 - Unlimited Local (Chicago Metro Area) Calls
 - Up to 100 minutes of Domestic Long Distance calls at no charge
 - International rates apply
- Once installed, telephone service is active 24 hours a day for the entire length of the event. The dial tone is deactivated the morning following the last day of the event. If you require service beyond that, please visit the Exhibitor Service Center. Reactivation fees may apply.
- Telephone service includes telephone usage, as described above, installation and a basic phone instrument. All telephone calls made from your telephone line, once it is installed, are your responsibility. Credits are not given for calls made over installed lines.
- To guard against unauthorized use, be sure to secure your telephone each night. Telephone usage is billed directly to your credit card shortly after the event. If you require a detailed calls log, contact PACK EXPO Services
- **Telecommunications Tax:** In the State of Illinois and the City of Chicago, a telecommunications tax is required. These taxes are based upon current rates and are subject to change without notice. Tax exemptions do not apply.
- **International Usage Deposit:** For internationally billed companies, a usage deposit of \$300.00 per line is required before "calling out" restrictions are removed. Including the deposit with your initial order will ensure that you will be able to call out as soon as you plug in your telephone. If your total usage is less than the usage deposit, the balance will be applied towards any outstanding charges.
- Please visit Exhibitor Resource Center for a detailed listing of all of our telephone services.
- **Analog Single-Line Service:** Includes the installation of a touch-tone line and rental of a single line telephone instrument. We do not require that you return the trimline telephone instrument.
- **Extension - Single-Line:** Is an extension of the main Single Line service. This would be ordered if you need one telephone number shared by two telephone instruments. (Only if you have ordered an Analog Single-Line Service.)
- **Digital Multi-Line Service:** Includes the installation of a touch-tone line and one multi-line telephone with a maximum capacity of up to seven appearances on the telephone line. Voicemail, if requested, is included along with fixed features such as hold, conference and transfer. These telephones are to be returned to avoid being charged a telephone replacement fee.
- **Extension - Multi-Line:** Is an extension of the Digital Multi-Line service. This would be ordered if you need one telephone number shared by two telephone instruments. (Only if you have ordered a Digital Multi-Line service.)
- **Voicemail System:** Our system is designed to ensure that all incoming calls to your booth will always be answered. Voicemail is operational 24-hours a day for the duration of the event.
- **Other Carrier Services:** Any service delivered by an outside vendor such as POT's (Plain Old Telephone), T1's and ISDN.

Telecommunications Labor

November 3-6, 2024
Chicago, Illinois USA

Internet Terms & Conditions

WIRELESS INFORMATION

- The complimentary service should **ONLY** be used for non-mission-critical applications such as general web surfing and Internet-based email access.
- **Access to the Wi-Fi network may be sporadic and cannot be guaranteed as access is based on the volume of users.**
- McCormick Place Technology Services is committed to delivering the highest quality internet and networking services in the industry. Experience has shown that wireless service is inherently vulnerable to interference from other devices that utilize the same radio frequency spectrum (such as Microwave ovens). **It is for this reason that we highly recommend that if you plan to use the Internet to demonstrate or present products that are mission critical to your exhibit, a hard-wired service should be ordered.**
- If you need help with selecting the proper Internet service for your exhibit, please contact your Customer Service Manager.

To access Wi-Fi service:

Your device / computer must have an 802.11 b/g Wireless Network Interface card (Integrated, PCMCIA, or USB)

INTERNET TERMS & CONDITIONS

- All prices for our Internet access services include the first connection to one point in your booth. Additional wiring to fan the main drops within your booth will be performed on a time and material basis. Please contact your Customer Service Manager for more information.
- Do not forget to order the appropriate electrical service.
- The State of Illinois and the City of Chicago require a telecommunications tax for all Internet service.
- Exhibitors are permitted to fan out their own networking cables if they choose to do so.

Description of Service: The following chart highlights the services offered. Please note the number of additional IP addresses available with each wired service. All wired services are delivered via Category 5 or 6 wiring with RJ45 terminated ends. For wired services, you must supply a device with an Ethernet NIC (network interface card), installed TCP/IP, and an Internet browser. For wireless services, you must provide a device with an 802.11 a, b, g, or n wireless receiver. Our wireless network is optimized for 802.11 a and n devices transmitting and receiving at 5.0 GHz. Your quality of service on the wireless network may vary depending upon hardware and environmental factors such as booth structures, attendee traffic, and location. For mission critical applications, PES strongly recommends using a wired dedicated service whenever possible. There are no firewalls on our Executive Class Plus or Dedicated Services. Nor is there any filtering on our connection to the Internet. Please consider your vulnerabilities; make sure you have up-to-date anti-virus software installed on your computer and consider the use of a firewall (we offer firewalls for rental). All Internet prices are a flat rate; no per minute usage or connection charges apply.

CANCELLATION POLICY

- For full cancellation of all telecommunication services ordered, a cancellation fee in the amount of 10% of the value of the telecommunication services ordered will be charged.
- For partial cancellation of telecommunication services ordered, but not yet installed, no cancellation fees will be incurred.
- For partial cancellation of telecommunication services ordered and installed, but not yet used by the exhibitor, a cancellation fee of 10% plus the installation labor costs will be charged.
- For cancellation of an Internet line that has been installed but not yet used, a 50% cancellation fee will be charged.
- For cancellation of telecommunications services that have been installed and used, the full cost will be charged.

 - ◊ DSV Air and Sea Inc.
 - ◊ EXPOGISTICS
 - ◊ Rock-It Global
 - ◊ T-Force Freight

What Is Material Handling?

Material handling (drayage) is the process of receiving your materials or equipment either at the advanced warehouse before the show or at show site. The service includes delivering to your booth, removing empty containers for storage during the show, returning the empty containers to your booth after the show, delivering your materials back to the dock, and loading on your outbound carrier for outbound shipping.

All material handling charges for direct shipments are already included in your space rate regardless of weight or number of shipments, provided your shipment/trucks check-in at the PACK EXPO Services (PES) Marshalling Yard by 2:00 PM on your assigned targeted move-in date. **This pre-paid fee also includes a one-time spot of equipment and display material. Any additional rigging or booth work will be done at the exhibitor's expense. Exhibitors must be in the booth to take advantage of the one-time spot.**

Any freight which requires assembly, un-skidding, uncrating, unbolting, stacking, or special equipment for unloading (including 30,000 lb. forklifts and cranes) and anything else which makes your machinery or freight non-show ready is NOT eligible for the one-time spot. Additional rigging and material handling charges could apply.

NOTE: Space rate includes material handling for the Primary Exhibitor's display material and equipment only. Additional product or equipment not from the Primary Exhibitor is subject to additional billing. Primary Exhibitor is defined as the exhibitor who signs the Exhibit Space Application and Contract.

Targeted Move-In/ Out Information

Target dates for all inbound and outbound freight have been assigned to each exhibitor for installation (move-in) and dismantle (move-out). Please click the following links to review your target information: [TARGET MOVE-IN PLAN](#) and [TARGET MOVE-OUT PLAN..](#) To determine your assigned target date/time, find your booth and match the color to the key.

Inbound target date and time is for check-in to the Marshalling Yard only. Your truck must be checked in prior to your assigned check-in time. PES recommends drivers arrive at least **2 hours prior** to your assigned time. Target dates apply to machinery and display materials only. Marshalling Yard Hours are 4:00am—2:00pm. Target assignments have been determined by booth size and location on the show floor.

The target check-in time is the deadline for your truck to check-in on your target date. Please note that unloading may take several hours and your carrier will most likely charge for waiting time. **PACK EXPO Services is not responsible for waiting time charges.**

Important: All drayage/material handling is included in your space rate, provided your shipment/truck checks in at the Marshalling Yard by 2:00 pm on your assigned-targeted move-in date and time. A special assessment will apply to off-target shipments (inbound only).

Advance Warehouse: Those exhibitors who ship to the Advance Warehouse will have their materials automatically delivered to their booths by the assigned target date. See the Material Handling rates form for rates.

Target Change Requests: **If your company cannot adhere to the scheduled inbound and/or outbound target dates and check-in times assigned, you may [request a Target Change](#) from PACK EXPO Services (PES). All requests for changes must be received by Monday, September 16, 2024.**

PACK EXPO Services cannot guarantee that your scheduled date can be changed; however, we will try to accommodate your request. PES will notify the exhibitor by email if their target date change has been approved or denied. Please contact PES.Service@packexposervices.com with any questions.

Inbound Shipments

The target floor plans are color-coded to indicate the freight receiving target date assigned to each booth. Please do not arrive prior to your scheduled target move-in date. Due to the high volume of freight, your truck will not be unloaded and will be asked to return on your scheduled day. If materials are not properly identified, they will be classified as display materials.

Outbound Shipments

Your assigned outbound target is the day your freight is to be removed from the exhibit hall. The PES Marshalling Yard opens at 4:00 am for outbound shipments. Vehicles must check-in prior to 2:00 pm on their assigned target date. **If the carrier's name listed on the outbound material handling agreement does not match the name of the carrier that checks in to pick up your company's freight, it will not be released.**

Exhibitors with an outbound target date of Saturday, November 9, 2024, must have their trucks checked-in by 9:00 am.

Exhibitors are assigned a one (1) day outbound targeted move-out. If you need more than one (1) day, please contact PACK EXPO Services.

Exhibitor Freight: Exhibitor freight is under the care and responsibility of the exhibitor until carrier is at the dock and loads your freight on the truck. Staying with your freight ensures that it is all loaded properly without damage. If you have multiple trucks, you must supervise loading of all trucks. **If you choose to leave the show floor prior to your freight being loaded on your carrier, you do so at your own risk. PES will not be responsible for any misloaded or damaged freight if exhibitor is not there to supervise.** Please advise carrier they must get out of their truck and supervise the loading of your freight. If they do not get out of their truck to supervise, they your freight will not be loaded.

MHAs and Labels

Every outbound shipment will require a **Material Handling Agreement (MHA)** and shipping labels. A separate MHA is required for **each outbound shipment**. PACK EXPO Services (PES) provides standard shipping labels. Exhibitors are responsible for providing carrier specific labels.

A pre-printed MHA and shipping labels can be prepared for you in advance and can be delivered to your booth prior to the show close if your information is submitted by **November 5, 2024 at noon**.

IMPORTANT: Your carrier name on the MHA MUST match the carrier name that will be checking in at the marshalling yard. If your carrier name does not match the MHA name, there is a chance that your carrier will NOT be dispatched in a timely manner to pick up your freight and result in waiting time charges from your carrier. *(PES is not responsible for these charges)*

Once onsite and your freight is packed and ready to be loaded on your outbound carrier, return completed Material Handling Agreement(s) to the Exhibitor Service Center. **Do not leave them in your booth with your freight!**

International Shipments

International and Canadian Shipments

Neither PES, PMMI, nor McCormick Place can provide a tax ID number for customs clearance. It is the responsibility of a licensed customs broker to provide this service and insure passage of the show materials into the United States. All freight should be consigned to a certified broker for customs clearance.

Insurance

It is understood that PACK EXPO Services is not an insurer. Insurance has to be obtained by the exhibitor. It is suggested that exhibitors arrange All Risk coverage. This can be done by endorsements to existing policies. Exhibitor's materials should be insured from the time they leave their firm until they are returned after the close of the show. Please contact your Customer Service Manager for further information.

Personally Operated Vehicles (POVs)

POVs must check in at the Marshalling Yard to receive their window card. A POV is defined as a passenger car, pickup truck, or van. Flatbeds 15' or longer, U-Haul's, or other box trucks and vans are not considered POVs, and will be subject to standard material handling rates.

Personally Operated Vehicles (POVs)

Sedan

Van

Sports Utility Vehicle

Pickup

Exhibitor Liability

PACK EXPO Services (PES) has Right of Preference into and out of the building.

PACK EXPO Services shall not be responsible for damage to uncrated materials, improperly packed materials or concealed damage.

PACK EXPO Services shall not be responsible for loss, theft, or disappearance of materials after same has been delivered to the exhibitor's booth.

Empty container labels will be available at all PACK EXPO Service Centers. Affixing the labels to empty containers is the sole responsibility of the exhibitor or their representatives. All previous labels should be removed or obliterated. PACK EXPO Services assumes no responsibility for:

- Error to above procedures
- Removal of containers with old empty labels and PACK EXPO Services labels
- Improper information on empty labels
- Materials stored in containers with empty labels

PACK EXPO Services shall not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's materials which may make it impossible or impractical to exhibit same.

See full PES Terms and Conditions for details.

Advance Planning

- Rigging crews with forklifts or cranes should be ordered in advance to uncrate, unskid, position and re-skid heavy machinery.
- Labor should be ordered in advance to assemble machinery, conveyors and machinery parts, as well as for the leveling of machinery and conveyors.
- **Crews do not need to be ordered to unload and reload inbound and outbound freight carriers.**
- Crews should not be requested for installation until your heavy equipment has been unloaded and exhibit material is in your booth. **Please note:** Please allow 4-6 hours from the start of your target move-in for your heavy equipment to be unloaded.
- You must provide any special rigging equipment that may be needed to pick, uncrate or assemble your machinery, i.e. special picking bars, rolled steel shafts, special length slings, tested chains, etc. Make sure this equipment is on the back-end of the first truck to be unloaded.
- Plan the layout of your machinery before you come to the show. Submit a copy to PACK EXPO Services prior to arrival to showsite.

Machinery Skids Removal

- Rigging crews will remove and return machinery crates and skids as part of fulfilling rigging labor orders placed by exhibitors.
- IF MACHINERY SKIDS ARE NOT READY TO BE REMOVED AT THE TIME ASSEMBLY IS FINISHED, YOU MUST RETURN TO THE SERVICE CENTER AND PLACE AN ORDER FOR MACHINERY SKIDS TO BE REMOVED AT THE EXHIBITOR'S EXPENSE.

On-Site Execution

- Rigging crews ordered in advance for installation and dismantling of heavy machinery MUST be reconfirmed upon arrival to the exhibit hall at a PES Exhibitor Service Center.
- Union laborers are ordered by PACK EXPO Services prior to 2:30 pm daily for the next day. Therefore, you must place your order, or reconfirm your existing order at a PES Service Center prior to 2:00 pm for the following day.
- You must provide any special tools, i.e. socket and Allyn wrenches, metric tools, etc. Riggers only carry a twelve-inch crescent wrench, knife and ruler.
- During move-in, please **DO NOT** sign out your crews until your machinery skids are removed. If machinery skids are not ready to be removed at the time assembly is finished, you must return to the Service Center and place an order for machinery skids **to be removed at exhibitor's expense.**
- Union laborers work according to the following schedule:
 - If you order crews for 8:00 am, every effort will be made to have them there in your booth by 8:10 am. This includes any work that will be carried over from day prior.
 - **There is no guarantee for an automatic 8am start time for the 1st day of move-out after show close for all crews due to volume of requests and will be dispatched prioritizing exhibitors with the earliest target move-out dates.**
 - Fifteen minute breaks at 9:30 am and 2:30 pm.
 - Thirty minute lunch break from 12:00 noon to 12:30 pm.
 - Return labor by 4:15 pm daily to avoid overtime charges, and allow time for wash-up.
- **TAKE ADVANTAGE OF THE SAVINGS:** Forklift crews on night of show close from 3pm-10pm are billed at straight time.
- Machinery skids **will not be returned automatically to your booth.** You must use your forklift crew to retrieve your machinery skids from storage. Please take note of where your machinery skids were located when putting into storage.

November 3-6, 2024
Chicago, Illinois USA

Marshalling Yard Directions

Discount Deadline:
September 16, 2024

Marshalling Yard

All vehicles, including cars, with materials for delivery, must check-in at the marshalling yard located west of Lake Shore Drive, approximately six (6) blocks south of McCormick Place at the corner of Moe Drive North and 31st Street (see map in this section). There is no usage fee required by McCormick Place.

Marshalling Yard Address

PACK EXPO Services Marshalling Yard
3050 Moe Drive
Chicago, IL 60616

Check-In (EXHIBITORS: PLEASE INFORM YOUR CARRIER)

- Targeted shipments should check-in at least 2-hours prior to appointed time.
- Late Driver Check-In: Drivers checking in after 2:00 pm are not guaranteed straight time rates.
- Marshalling staff hours
 - Move-In: 4:00 am to 2:00 pm
 - Move-Out: 4:00 am to 2:00 pm

NOTE: For break of show on November 6, 2024, hours will be 12:00 pm to 6:00 pm. Drivers that have signed in and matched to exhibitor Material Handling Agreements (MHAs) will be dispatched that night.

Please see the [Quick Facts](#) for specific Move-In and Move-Out times and Driver Check-In Deadlines.

If the driver does not have a document with sufficient information describing the shipment(s), they will be delayed until we attain the proper information.

An unloading document will be issued at the Marshalling Yard trailer by PACK EXPO Services personnel. The Receiving Report will be:

- Based on the information on bill of lading or delivery receipt.
- Date and time stamped.

Once a driver has checked in, a numbered card will be given to them for placement in the window of their vehicle. The numbered card identifies the building and area in which they will be unloaded. The driver will be advised when to proceed to their designated area. The numbered card must be displayed in the vehicle's windshield at all times.

The State of Illinois legal trailer restrictions are 8'6" in width and 13'6" in height. Questions may be directed to:

Illinois Department of Transportation
Permit Section
2300 South Dirksen Parkway
Springfield, IL 62764
Phone: (217) 782-6271

Please make sure your trucking company has a copy of this information.

Chicago, Illinois USA

**Marshalling
Yard Directions**

**Discount Deadline:
September 16, 2024**

Driving Directions

To the Marshalling Yard

From North of Chicago

- Interstate 94 (Kennedy Expressway) to Interstate 55.
- Bear right just past 18th Street.
- Then bear left to go east on Interstate 55 to Lake Shore Drive South.
- Take the 31st Street exit and follow the loop to the right onto Moe Drive.
- Take Moe Drive North to the first stop sign and turn left into the Marshalling Yard.

From West of Chicago:

- Interstate 90 (Eisenhower Expressway), East to Interstate 94 (Dan Ryan Expressway).
- South on Interstate 94 (Dan Ryan Expressway) to Interstate 55.
- Bear right just past 18th Street.
- Then bear left to go East on Interstate 55 to Lake Shore Drive South.
- Take the 31st Street exit and follow the loop to the right onto Moe Drive.
- Take Moe Drive North to the first stop sign and turn left into the Marshalling Yard.

From Southwest of Chicago

- Interstate 55 directly to Lake Shore Drive South.
- Take the 31st Street exit and follow the loop to the right onto Moe Drive.
- Take Moe Drive North to the first stop sign and turn left into the Marshalling Yard.

From South of Chicago

- Interstate 94 (Dan Ryan Expressway) to Interstate 55 (Stevenson Expressway).
- Take Interstate 55 to Lake Shore Drive South.
- Take the 31st Street exit and follow the loop to the right onto Moe Drive.
- Take Moe Drive North to the first stop sign and turn left into the Marshalling Yard.

See the following map for trucking flow once your carrier is dispatched from the Marshalling Yard.

Driver Check-In Requirements

INBOUND Driver Check-in Requirements

All Drivers must provide the following details on their Bills Of Lading (BOL):

1. Booth Number
2. Exhibiting Company's Name
3. Shipper's Name
4. Piece Count Summary
5. All drivers must provide a certified scale ticket to check-in
6. Net, Gross and Tare Weight

Piece count summaries must be broken down into the following categories:

1. Crates (Wooden Boxes)
2. Cartons (Cardboard Boxes)
3. Carpets (Rugs and Pads)
4. Skids (Pallets)
5. Bundles
6. Machines
7. Miscellaneous (Loose or Unpacked Items)

Certified weight tickets will be required.

ALL BILLS OF LADING MUST CONTAIN THIS INFORMATION BEFORE THEY CAN BE ACCEPTED FOR DRIVER CHECK-IN

Drivers that are unable to provide any of the requested information must contact their dispatch to get the necessary information to be checked in for unloading.

OUTBOUND Driver Check-in Requirements

All Drivers must present the following information to pick up freight from a show:

1. Booth Number
2. Exhibiting Company's Name
3. Shipment Destination (City and State)
4. Carrier's (or Broker's) Name
5. Location or area the vehicle is parked
6. Driver's Cell Phone Number

- There may be a wait time before the freight is ready to be picked up.
- Please wait in the Marshalling Yard until you are dispatched for loading by the Freight Clerk.

Drivers that are unable to provide any of the required information for check-in must contact their Dispatch for assistance.

EXHIBITOR FREIGHT: Exhibitor freight is under your care and responsibility until your carrier is pulled up to the dock and PES comes to your booth and picks up the freight. With a show this size and the amount of freight that is on the show floor at one time, exhibitors must stay with their freight to make sure it is all loaded properly without damage. If you have multiple trucks, you must remain with your freight to insure all your freight is loaded properly and correctly to the designated trucks.

If you choose to leave the show floor prior to your freight being picked up by PES and loaded onto your carrier's truck, you do so at your own risk. PES will not be responsible for any misloaded freight or damaged freight if the exhibitor is not there to supervise your freight being loaded.

Please advise your carrier they must get out of their truck and supervise the loading of your freight. If they do not get out of their truck to supervise the loading, then your freight will not be loaded onto their truck. Your carrier is responsible for securing the freight on the truck.

November 3-6, 2024
Chicago, Illinois USA

Advance Warehouse Rate Information

**Discount Deadline:
September 16, 2024**

- As the official Service Contractor, PACK EXPO Services is the exclusive service provider for freight services. **Material Handling** is the unloading of your materials, delivery to your booth, handling of empty containers to and from storage, and removal of your materials from your booth for reloading onto your outbound carrier. There are two options for shipping your freight: To the advance warehouse (see below for rate information) or directly to show site (included in drayage package). It should not be confused with shipping which is the cost to transport your exhibit material to and from the facility.
- Advanced Warehouse charges will be automatically applied to your account upon receipt of each shipment.
- Target dates cannot be changed once freight is received at the warehouse.**

VERY IMPORTANT Shipping Information

Advance Warehouse

- Avoid delays and wait time on-site and ship to the advance warehouse.
- All hanging signs must be sent to Warehouse and labeled separately.
- Warehouse receiving begins **September 3, 2024**.
- Warehouse receiving after Wednesday, **October 16, 2024** will result in increased costs for expedited handling.
- Shipments left on the show floor without a MHA will be rerouted at exhibitor's expense or returned to the warehouse
- Warehouse Hours: Monday-Friday, 8:00am-2:00pm**
- Advance warehouse address:
 - Exhibiting Company Name / Booth#
 - PACK EXPO International 2024
 - C/O PACK EXPO Services / T-Force Freight
 - 2300 S. Throop Street
 - Chicago, IL 60608
- Please note that PACK EXPO Services Warehouse does not accept uncrated freight such as:
 - COD or Collect shipments
 - A single piece of freight weighing more than 5000 pounds or
 - A single piece of freight larger than 108"H x 93" W in dimension.
 - Hazardous materials
 - Freight requiring refrigeration or frozen storage
 - Entire shipping containers
 - * Uncrated Freight such as:
 - ◇ Loose materials
 - ◇ Pad-wrapped materials
 - ◇ Un-skidded machinery equipment

November 3-6, 2024
Chicago, Illinois USA

Accessible Storage

Discount Deadline:
September 16, 2024

- **What is Accessible Storage?** It is an additional service for storing exhibit materials that may need to be accessed during the event and, that cannot be stored within the booth. This service is in addition to material handling service and is limited to availability. It is not storage to ensure expedited or priority empty return at the end of the event.
- **How much does the service cost?** Accessible storage consists of a one-time set up fee and a daily storage fee based on square footage used. Additionally a labor fee applies each time materials are placed into or removed from storage.
- To assist in planning for labor, please allow:
 - Place into storage - Minimum one (1) hour
 - 1/2 hour each time product is accessed
 - Take out of storage - Minimum one (1) hour
- **During show days storage can only be accessed before 9:00 am and after 5:00 pm (overtime rates will apply).** During move-in and move-out storage may be accessed at any time. Please visit the Exhibitor Service Center to clarify what delivery dates and time you will need access. A 1/2 hr. minimum will be applied to your account each time you access your stored items.
- **NOTE: Accessible Storage is unsecured.**
- Please come to the Exhibitor Service Center at show site for Accessible Storage stickers to place on your items.
- NOTE: All materials remaining in accessible storage will be returned to the booth space at show close and billed at the prevailing labor rate.

Labor Hours:

Straight Time: Monday-Friday, 8:00am-4:30pm

Overtime: Monday-Friday, 4:30pm-12:00am; Saturday, 8:00am-4:30pm

Double Time: Monday-Sunday, 12:00am-6:00am; Saturday, 4:30pm-8am; All day Sunday & Holidays

****Please note: 1st day show closes, all labor will be charged ST until 10pm**

ACCESSIBLE STORAGE

Rates	Price
Daily Storage Fee	
1 Skid (minimum order)	\$126.50
1/8 Trailer	\$253.00
1/4 Trailer	\$374.00
1/2 Trailer	\$748.00
3/4 Trailer	\$1,122.00
Full Trailer	\$1,496.00

INTRODUCTION

We are pleased to inform you that DSV Air & Sea, Inc. has been nominated as an official recommended international freight forwarder and US Customs House Broker for PACK EXPO INTERNATIONAL 2024, November 3 - 6, 2024, in Chicago, Illinois.

In the following guidelines we outline all our services tailored to the needs of international exhibitors, participating at PACK EXPO International 2024. Our services include transportation to and from the USA, by airfreight and/or ocean freight, inland transport from the US port/airport to and from the venue and customs clearance services.

We will have personnel on-site in Chicago to assist with the smooth handling of your important shipments and we will act as a liaison to the general contractor to facilitate procedures for you and your on-site staff. Please read the following guidelines, carefully to avoid problems with US Customs, thus jeopardizing the timely arrival of your shipment at your booth at PACK EXPO International 2024.

CONTACT INFORMATION:

DSV Air & Sea, Inc.
Fairs & Exhibition Dept.
1300 N Arlington Heights Road, Suite 200
Itasca, IL 60143

Mr. Herbert Kaltschmid – Cell: 1-650-455 8215
Mr. Amy Bow – Cell: 1-650-866-9148
E-mail: events@us.dsv.com

International shipments will require special consideration NOT covered in the handling and shipping section of your exhibitor manual for PACK EXPO International 2024. DSV Air & Sea Inc. as your logistics partner is available to you and advise the best method of transportation to/from the USA, including recommendations for shipping lines, airlines and inland carriers. In addition, we will advise on the proper documentation required to facilitate customs clearance and delivery procedures.

DSV – Global Transport and Logistics

With offices and facilities in more than 80 countries on six continents, we provide and run supply chain solutions for thousands of companies on a daily basis. Our reach is global yet our presence is local and close to our customers. Read more at www.dsv.com

The overall coordinating office for PACK EXPO 2024 International is:

DSV Air & Sea, Inc.
395 Oyster Point Boulevard, Suite 420
South San Francisco, CA 94080
Mr. Herbert Kaltschmid
Tel.: 1-650-238 1226 (direct line)
Cell: 1-650-455 8215
Fax: 1-650-869 5890
E-Mail: Herbert.kaltschmid@us.dsv.com

CUSTOMS CLEARANCE

The following types of US Customs entries are offered for importation into the USA:

- **Consumption Entry/Permanent Entry**

This type of customs entry is recommended on all items in your shipment, which will remain permanently in the USA – i.e. – giveaway items, such as brochures, small gifts to potential customers as well as machinery, which has been sold to US companies prior to shipment.

- **Trade Fair Entry (TFE)**

PACK EXPO International 2024 has been designated as a bona fide trade fair under the Trade Fair Act (TFA) of 1959, by the US Department of Commerce. Under the TFA, international shipments may enter the USA on a temporary basis without payment of duties for a period of 90 days. Within this time frame, shipments may be sold to US companies or they may be returned to their country of origin or any other destination outside the USA.

- **Carnet ATA**

A Carnet ATA may be used for all shipments, which are meant for re-export. Consumable/giveaway items should not be included in a Carnet ATA. Such items would have to be covered under a commercial invoice to be used for a consumption entry. US Customs will not accept a permanent entry from a Carnet ATA.

Remarks:

All shipments customs cleared under the Trade Fair Entry, will be customs cleared in the name of the show organizer (PMMI). These shipments will be covered by the trade fair bond. A continuous bond for such entries is not accepted by US Customs.

Shipments, which are cleared under consumption/permanent entries (consumables, giveaways and sold items), will be cleared in the name of the US Buyer or the exhibitor. US Buyers have the option to utilize their assigned brokers or they may use the DSV Customs clearance services. Overseas exhibitors without US Representation will be able to utilize the DSV clearance services, as well.

DSV – Global Transport and Logistics

With offices and facilities in more than 80 countries on six continents, we provide and run supply chain solutions for thousands of companies on a daily basis. Our reach is global yet our presence is local and close to our customers. Read more at www.dsv.com

TERMS OF DELIVERY

To assure timely delivery to the exhibition-site dock, marshaling yard or advance warehouse, all shipments must arrive at the below mentioned dates at their designated US Ports and/or airports of arrival. PACK EXPO International 2024 has a target move-in schedule, which assigns each exhibitor a specific date and time, when the shipment may be delivered to the show venue. The first day of set up for PACK EXPO International 2024 is **OCTOBER 28, 2024**. Based on this information we recommend the following dates for arrival of shipments in the USA.

- | | |
|---|------------------|
| • International ocean freight LCL shipments | October 11, 2024 |
| • International ocean freight FCL shipments | October 11, 2024 |
| • International airfreight shipments | October 11, 2024 |

DOCUMENTATION

Separate invoices should be issued for each shipment and/or import mode (temporary import vs. permanent import). US Customs prefers that each exhibitor uses their in-house invoice forms, however, for your convenience, we have attached our “generic” invoice form, which includes all information; we require to perform the customs clearance.

In detail, please include the following information in your commercial invoice – all documentation must be issued in English language and each product must be identified by its assigned HS Code (HTS Number)

Consignee in the invoice:

PACK EXPO International 2024

c/o DSV Air & Sea, Inc.

Exhibitor Name: _____, Booth Number: _____ - Target Date: _____

McCormick Place – Chicago, IL

Notify on arrival – DSV – Fairs and Exhibitions – Chicago, IL

- Name, address and contact information of shipper
- On-site contact at PACK EXPO 2024 – name and cell phone
- Mode of transport (air and/or ocean)
- US Port/Airport of Entry
- Incoterms 2020 (i.e. DAP – DDP – etc.)
- Exact description of products, including model name and serial numbers
- HTS numbers – please refer to <http://www.usitc.gov/tata/hts/bychapter/index.htm>
- Type of packaging used for your products (crates, boxes, cartons etc.)
- Dimensions per shipping case
- Gross and net weight per shipping case
- Unit price per item and total value of shipment
- Name and address of manufacturer, if different from shipper ****
- Country of origin (country where the product was manufactured)

DSV – Global Transport and Logistics

With offices and facilities in more than 80 countries on six continents, we provide and run supply chain solutions for thousands of companies on a daily basis. Our reach is global yet our presence is local and close to our customers. Read more at www.dsv.com

Remarks and Restricted Items:

*** DSV does not accept shipments arriving in the USA on a freight collect basis or shipped under terms such as “Ex Works” or “Ex-Factory” unless we have made prior credit arrangements with your company or your business partner in the USA. Without such arrangements, DSV in the USA will need to receive full payment of all charges, prior to customs clearance and delivery to PACK EXPO International 2024.

**** if any of your consumable/giveaway items for this show include any wearing apparel, such as T-shirts, baseball caps etc., we will need the full name and address of the manufacturer of such products, in addition to applicable forms, such as textile declarations.

Please refrain from sending any of the following items to PACK EXPO International 2024 in Chicago, unless you have the proper permits from the applicable US Government Agencies such as the FDA, USDA, ATF, DOT, EPA, FCC etc. Just to name a few of our OGA's involved in the importation of certain products:

- Any type of food and beverages
- Alcoholic beverages
- Tobacco products
- Cosmetics
- Pharmaceuticals and medical devices, instruments etc.
- Agricultural products, including flowers and seeds, wooden products
- Functioning parts of any type of conveyance, unless they are “true” dummy items
- Leather products and other clothing
- Radio transmitters or receivers
- Restricted telecommunication equipment
- Weapons and ammunitions

If you are not sure if any of your products could be import restricted, please contact us for further clarification. Thank you.

IMPORTER SECURITY FILING (ISF) – OCEAN SHIPMENTS, ONLY:

Effective January 26, 2009, US Customs requires for all ocean freight shipments arriving via U.S. Ports are subject to Import Security Filing (ISF). Upon request DSV will be able to file ISF in your behalf, in which case we would require your Customs Power of Attorney Form and completed ISF Filing form (both forms are available upon request)

All ISF Filing information has to be submitted to US Customs, at least 3 days prior to sailing from the origin port. Failure to comply will result in late filing penalties of minimum US\$ 5000.00 per shipment. In addition, on late filings DSV will no longer be able to provide the ISF bond, in which case the Importer of the shipment (either exhibitor or US buyer) have to issue a Letter of Credit with US Customs being the beneficiary in the L/C. Late ISF filings will also result in delays at the ports and in delays with the customs release.

DSV – Global Transport and Logistics

With offices and facilities in more than 80 countries on six continents, we provide and run supply chain solutions for thousands of companies on a daily basis. Our reach is global yet our presence is local and close to our customers. Read more at www.dsv.com

Late filing penalties are directly issued and sent to the Importer of Record in the USA (either the exhibitor or the US buyer). For Carnet ATA's the penalty notice is being sent to the Carnet holder.

Please contact your local DSV representative or DSV Fairs & Exhibitions in the USA for more information. Detailed information can be found on <http://www.cbp.gov/border-security/ports-entry/cargo-security/importer-security-filing-102>

PACKING

Please make sure that all your machines and show items are packed in re-useable cases, crates, boxes etc. This will facilitate packing and un-packing procedures and it will save you money, since re-useable packing is unlikely to be damaged during the unpacking at the beginning of the show. In detail, please allow us to make the following recommendations:

1. All cases or crates should be bolted as opposed to nailed or screwed. (Please include spare bolts in your shipment.
2. All cases or crates should be fitted with sling irons or skids
3. Center of gravity should be marked on all cases exceeding a weight of 1000 kg
4. If possible, do not use plywood as packing material for heavy machinery, since it cannot be properly repaired, once damaged
5. Machinery should be barrier bagged/vacuum packed
6. If machinery is bolted to the shipping skids, all nuts must be on the upper side of the base.

Effective September 16, 2005, the US Dept. of Agriculture (USDA) revised the import regulations for wood packing materials (WPM). The new regulation requires WPM coming into the USA to be treated and marked, accordingly. If your WPM is not properly treated and/or marked, your cargo is subject to immediate export from the USA. Please contact your local DSV office for further information or visit the following website for more information:

http://www.aphis.usda.gov/import_export/plants/plant_exports/wpm/index.shtml

MARKINGS

Each shipping case should be marked as follows:

Name of Exhibitor

c/o PACK EXPO International 2024 – Booth Number: _____, Target Date: _____

McCormick Place

2301 South Lake Shore Drive

Chicago, IL 60616 – USA

Made in: (Country of Manufacture)

Itasca, IL 60143

SHIPMENT PRE-ADVISES:

Once the shipment has been dispatched, please send your pre-advise to events@us.dsv.com. The pre-advise should include the following information:

Bill of Lading and/or airway bill number

Vessel Name and voyage number – or flight number

Port/airport of departure – port/airport of arrival in the USA

Number of shipping cases – volume – weight – value

Temporary Import or permanent import (please specify)

RETURN SHIPMENTS AFTER PACK EXPO 2024

During the exhibition our on-site staff will visit your booth to discuss the possible return of your exhibition goods to the country of origin or any other destination, outside the USA. In case your machinery had been sold, prior to the exhibition, we would also be able to arrange for the transport from Chicago to your buyer's facility within the USA.

For cost estimates on transport charges, please send all your inquiries to events@us.dsv.com. We will be able to offer competitive pricing from Chicago to anywhere in the world via our ocean- or airfreight services.

DSV – Global Transport and Logistics

With offices and facilities in more than 80 countries on six continents, we provide and run supply chain solutions for thousands of companies on a daily basis. Our reach is global yet our presence is local and close to our customers. Read more at www.dsv.com

SOLAS/VGM – RETURN OCEAN FREIGHT – FCL SHIPMENTS

Effective July 1, 2016, the International Maritime Organization (IMO) has issued a mandatory amendment to the International Convention for Safety of Life at Sea (SOLAS) Chapter VI, Part A, Regulation 2 – Cargo Information.

As the acronym SOLAS implies, the purpose of the rule is to maximize safety by properly developing strategic vessel load plans for weight distribution. The gist of the new regulation is that the shipper/exhibitor of a packed container received for transportation (gate-in or off rail) is required to provide the containers gross verified weight (VGM) to the ocean carrier and port terminal representative prior to its being loaded onto a ship. The vessel operator and the terminal operator will be required to use this VGM in vessel stowage plans and are prohibited from loading a packed container aboard a vessel for export, if the container does not have a VGM.

Since international exhibitors in the PACK EXPO 2024, will not have any opportunity to get the VGM for their return containers, DSV Air & Sea, Inc. will get the VGM Certification for return containers by having the containers re-weighed at certified VGM scales. To cover scale fees and administrative cost, DSV will charge a flat fee of US\$ 50.00 per container for VGM Certification.

INSURANCE

We strongly suggest securing insurance coverage for your goods throughout the entire shipping process with a door to door coverage, including while on display during the PAXK EXPO 2024. If your exhibition goods are meant to be returned to origin, after the show, please make sure that the return transport is covered as well. On sold machines to US companies, the insurance coverage to the buyers' plant should be discussed with your buyer, as well.

DSV Air & Sea, Inc. will be more than happy to provide door to door insurance coverage for your valuable products. Please contact us for our competitive insurance services.

Please note that a shipment, which is located inside your booth or around your booth area (during set-up and tear-down) is considered as being in your custody, even, if your company representative is not in the booth. It is therefore, strongly recommended to have insurance coverage, while the products are on display and during the set-up and tear down periods.

TERMS AND CONDITIONS

ALL BUSINESS UNDERTAKEN SUBJECT TO TERMS AND CONDITIONS OF DSV AIR & SEA INC.
TEXT AVAILABLE UPON REQUEST.

ROCK-IT FACTS

ESSENTIAL INTERNATIONAL SHIPPING & CUSTOMS CLEARANCE INSTRUCTIONS & TARIFF

PACK EXPO INTERNATIONAL 2024
NOVEMBER 3 - 6, 2024
McCORMICK PLACE
CHICAGO, ILLINOIS

Rock-It Cargo Fairs & Exhibitions has been appointed as a U.S. Customs broker and freight forwarder by PMMI: The Association for Packaging and Processing Technologies to provide air, ocean and ground shipping, customs clearance, freight forwarding and related logistics services for PACK EXPO International 2024. We can also transfer freight to or from related industry events via domestic and international air, ocean and ground freight. We encourage customers to contact us for a firm cost estimate and instructions tailored for their specific circumstances. Please send your inquiries regarding this event to our project manager:

Ms. Nitzia Palacios: Nitzia.Palacios@rockitcargo.com & Ph# +1 786 526 4625

Emergency & After Hours: 1 310 410 0935 (Please ask for Nitzia Palacios or Louis Kerpan and they will be contacted)

Air, Ground or Ocean Cargo Arrival CY/CFS/Airport:
Cargo Arrival Advance Warehouse Deadline Date:
Cargo Arrival Showsite Deadline Date:

CHICAGO, IL (ORD)
OCTOBER 7, 2024
OCTOBER 21, 2024

The arrival deadlines shown above are suggested and can be tailored to the exhibitor's specific requirements with the acknowledgement of the exhibitor that certain clearance and delivery costs may be greater.

OCEAN FREIGHT WARNING! Be aware that ocean freight schedules are very unreliable due to lack of equipment, lack of space and port congestion. We recommend that ocean freight be booked to arrive well in advance of your desired delivery date to the showsite.

FCL Ocean shipments should be available at the destination CY/Rail Ramp/Port (10) working days prior to the exhibitor's target move-in date at the showsite. Shippers or their agents must send us sufficient information to comply with [US Customs 10+2 Importer Security Filing \(ISF\) requirements](#) for ALL ocean shipments **NO LATER THAN 3 U.S. WORKING DAYS PRIOR TO LOADING ONBOARD A VESSEL BOUND FOR THE UNITED STATES** or be liable for liquidated damages of \$5000.00 plus encounter serious delay in the clearance and delivery of their shipment. Please contact us at least one week in advance of loading of any cargo onboard a vessel bound for the U.S. for instructions on how to properly comply with these requirements.

NOTE CONCERNING DOMESTIC U.S. AIR, GROUND AND OCEAN FREIGHT: Rock-It Cargo can provide domestic air, ground and ocean freight services to and from any location within the United States.

SHIP TO & DOCUMENTATION INSTRUCTIONS: All inbound international freight should be shipped on a PREPAID basis to **CHICAGO** consigned or addressed to:

Consignee:
ROCK-IT CARGO IMPORT SERVICES
On behalf of: (Exhibitor Name)
McCormick Place
2301 S. Lake Shore Dr.
Chicago, IL, 60616
Attn: Nitzia Palacios
Ph# +1 786 526 4625
Nitzia.Palacios@rockitcargo.com

Notify BEFORE Arrival:
ROCK-IT CARGO IMPORT SERVICES
5343 W. Imperial Highway, Ste. 900.
Los Angeles, CA, 90045
Attn: Import Department
Ph# 310 410 0935
imports@rockitcargo.com

All ocean bills of lading should be 'EXPRESS' bills. ALL SHIPPER'S INVOICES SHOULD BE CONSIGNED IN THE SAME MANNER. Other documentation may be required depending on what is being shipped. All documentation must be approved in advance of shipping by Rock-It Cargo.

REGARDING ATA CARNETS: ATA Carnets may be used. However, the following phrase must be transmitted in AMS to avoid U.S. Customs delays: "Items _____ to _____ on ATA Carnet _____ are packed in _____ Packages in Container _____."

PACKING, MARKING & SEALING:

1. Please mark all freight with the name of the exhibitor, their booth number, the name of the event c/o Rock-It Cargo and the associated air or ocean bill of lading labels.
2. We strongly encourage exhibitors and their agents to photograph all cargo for loss prevention and risk management reasons.
3. All full ocean containers must be sealed with high security bolt seals that comply with [ISO 17712 standards](#).
4. All Cargo must comply with [ISPM 15 standards](#). Goods that do not comply may be refused entry into the United States.
5. ALL products made of wood must comply with the [Lacey Act](#).
6. Motor vehicles and engines must be empty of fuel and all batteries disconnected with terminals taped.
7. Lithium-Ion batteries are hazardous/dangerous goods and subject to special handling, packaging, labeling and documentation requirements.
8. Goods that must be kept at separate temperatures must be shipped, packed and documented as separate shipments! **DO NOT MIX PRODUCTS THAT MUST BE KEPT AT DIFFERENT TEMPERATURES!**
9. **HIGH VALUE CARGO: Please contact us in advance regarding the packing, handling, documentation, insurance and shipping of high value cargo including hand-carried and courier shipments. SECURITY ARRANGEMENTS MUST BE MADE IN ADVANCE! Our liability for high value cargo is limited by our terms and conditions as well as international treaty.**

COST ESTIMATES, SHIPPING ORDERS & SECURITY ENDORSEMENTS: Rock-It Cargo requires that our customers or their agents receive a written cost estimate of their charges based on the information provided by the exhibitor or their agent. If the customer or their agent accepts the cost estimate, they or their agent must provide Rock-It Cargo with a written confirmation (for inbound charges) or a signed shipping order and security endorsement (for outbound charges) as well as a valid US Customs power-of-attorney and a completed Rock-It Cargo customer application/agreement. All cost estimates are subject to Rock-It Cargo's terms, conditions, limits of liability and instructions. The actual charges billed are based on the actual weight, dimensions, value, circumstances and other factors of an actual shipment.

ALL RETURN AIRFREIGHT IS HANDLED PER TSA REGULATIONS AS 'UNKNOWN SHIPPER' CARGO AND THEREFORE, CANNOT BE SHIPPED ON PASSENGER AIRCRAFT. The exhibitor or their on-site representative must have their outbound freight packed, labeled and documented as per Rock-It Cargo's instructions to insure prompt pickup of the outbound freight.

U.S. IMPORT & SHOWSITE HANDLING ALERTS: We would like to draw your attention to the following commodities that require special documentation or handling: Motor vehicles, engines, food, beverages, extracts, dried plants & seeds, drug ingredients, food/beverage ingredients, chemicals, medical devices, drugs, biologics, lasers, textiles, wearing apparel, electronic equipment, computers and monitors. We recommend inquiring with us in advance

to determine the specific requirements of the United States for the entry and re-export of your material. Please also note the following notes regarding our relationship with the general contractor and showsite material handling services.

1. **[TRADEMARK, COPYRIGHT & OTHER INTELLECTUAL PROPERTY WARNING:](#)** Exhibitors and their suppliers must be able to demonstrate upon request that they have a clear license to use trademarks, copyright and other intellectual property that is displayed or otherwise used by the exhibitor.
2. Motor vehicles and engines are subject to regulation by the [U.S. Environmental Protection Agency](#) and the [U.S. Department of Transportation](#). Please contact us in advance of shipping to learn about the entry requirements for these commodities.
3. **[MEDICAL DEVICES & EQUIPMENT:](#)** All shippers and exhibitors of medical devices must be registered with the U.S. Food & Drug Administration and provide us with their FDA Medical Device Establishment Number. And we must know the FDA assigned Medical Device Listing Number for each medical device or equipment shipped. Medical devices and equipment that are not fully registered and listed may only be entered temporarily into the U.S. on an ATA Carnet or a temporary import entry in the name of the shipper or exhibitor.
4. **[U.S. FOOD & DRUG ADMINISTRATION REGISTRATION & PRIOR NOTICE:](#)** ALL cosmetics, food, beverages and drug ingredients (including animal including fish feed) products are subject to the U.S. Bioterrorism Act. This requires that the shipper register with the U.S. Food & Drug Administration (FDA) and provide Rock-It Fairs with an official prior notice made through the FDA's website. If the origin freight forwarder or shipper is unable to do this themselves, then contact in advance for help for a fee. Furthermore, we request that all exhibitors sending health aids, toiletries and other sundries obtain approval from us in advance of shipping.
5. **[FOREIGN SUPPLIER VERIFICATION PROGRAMS \(FSVP\):](#)** Food and beverage products excluding fish, fishery products, juices, alcoholic beverages, certain meat, poultry and egg products must be documented with a FSVP.

The shipper must provide the name and details of their FSVP U.S. Importer of Record. If the product being imported into the U.S. is subject to FSVP requirements and the shipper cannot comply, then we recommend contacting the [Registrar Corp](#) for assistance no later than 2 months in advance of shipping.

6. Exhibitors are encouraged to deal directly with the general contractor to settle their showsite material handling charges before the close of the event. Showsite material handling and deliveries or pickups that occur on the weekend or holiday are subject to overtime surcharges.
7. Exhibitors must contact Rock-It Global prior to the close of the event for instructions on how to properly complete the general contractor's outbound material handling agreement or form. Failure to do so can lead to delay and additional cost.
8. Equipment that emits radiation (including CRT's, lasers, DVD/CD devices and all microwave emitting devices must be registered and cleared through the [U.S. Food & Drug Administration \(FDA\)](#). The exhibitor or their forwarder must forward to us sufficient information to complete FDA Form 2877.
9. If you intend on shipping any piece of cargo that weighs more than 19300 kilos or has dimensions greater than 12 meters long, 2.1 meters wide and/or 2.1 meters tall, please check with us in advance as this cargo may require special handling, escorts or permits.
10. Material being sent on an ATA carnet via ocean freight must include the carnet number and number of items listed on the carnet to be transmitted via AMS from origin by the steamship line or NVOCC to avoid delays with US Customs.
11. COURIER SHIPMENTS: Contact us in advance for special instructions for sending material either to the advance receiving warehouse or showsite via small package express services such as Federal Express, UPS or DHL.

SHOWSITE CARGO HANDLING NOTICE: Because of limited space at the venue, we are requesting exhibitors and their stand builders to adhere to the following standards as a courtesy to their fellow exhibitors:

1. If the move-in or move-out occurs on overtime, then overtime rates for material handling, labor and delivery/pickup apply. Please plan and budget accordingly. Please consult the target move-in and move-out schedules in the Exhibitor Service Manual .
2. Deliveries to and pickups from the showsite are subject to waiting time. Expect, on the average, from two to six hours of truck waiting time. We recommend moving freight to and from the event via the general contractor's warehouse.
3. Avoid keeping crates and cases in the aisles any longer than strictly necessary. Floor Managers and other Show Management personnel will be politely encouraging exhibitors and their stand builders to not hold onto crates and cases blocking the aisles unless strictly necessary. Exceptions would be made for items such as tool boxes.
4. Freight delivered on any given date should be emptied and empty stickers with the correct color code attached by the end of the day when that particular piece of cargo has been delivered so the empty crate or case can be taken away for storage and not block the aisles.
5. Please do plan on empty case return to take 6 or more hours after the close of the show. Plan your dismantling labor accordingly.
6. We encourage all pavilions and large booth exhibitors to submit in advance a freight and empty handling plan to the general contractor in advance.
7. Unless arrangements are made in advance for Rock-It Cargo to pay the showsite material handling costs, these must be settled by the exhibitor with the general contractor prior to the close of the show or the outbound cargo may not be released for pickup. Showsite material handling and deliveries or pickups that occur on the weekend or holiday are subject to overtime surcharges.
8. Exhibitors must contact Rock-It Cargo prior to the close of the event for instructions on how to properly complete the general contractor's outbound material handling agreement or form. Failure to do so will cause the cargo to be re-routed or sent back to the general contractor's warehouse.
9. Large and/or heavy shipments destined for the upper floors of any of the venues must comply with floor load limits and/or elevator size limits. If in doubt, please contact us in advance.

RATES & COSTS: Please provide sufficient information to us for a firm cost estimate:

Number of Packed Pieces of Cargo & Description of Method of Packing (crates, pallets, etc.)
Weight and Dimensions of Each Piece of Freight
Description of Contents, Value & Country of Origin (Where Made)
Type of Import Entry Desired (i.e., Carnet, Temporary or Permanent)
Mode of Transportation: Air, Ground, LCL Ocean, FCL Ocean
Estimated Date of Arrival
Special Handling Requirements
Return Freight Destination and Mode of Transport

Notes:

1. Outbound Truck, Air or Ocean Freight Charges: We can provide a cost estimate for each outbound shipment depending on the following factors: Weight, Dimensions, Customs Status, Mode of Transport: Air, Ocean, Truck, Level of Service: Expedited or Deferred, Equipment: Ocean Container (dry, open-top, flatrack), Flatbed, Liftgate, Air-Ride, etc., Special Requirements: Tarping, Blocking, Bracing, Inside Delivery, Overtime, Destination Airport, Port or City.
2. All outbound freight charges subject to fuel and security surcharges in effect at the time of shipping.
3. All freight rates given in cost estimates are valid for a maximum of 30 days from the date issued unless otherwise specified.
5. All showsite material handling services are provided exclusively by the official general contractor appointed by the show organizer. All showsite material handling services subject to the terms, conditions, limits of liability and instructions of the general contractor. We can pay these charges on a cost plus 20% basis and cannot be held liable for the timely and proper provision of such services.
6. The following items are charged as necessary: replacement value cargo insurance, port user or congestion fees, delivery coordination fees, translation, installation/dismantling labor, unpacking/packing labor, loading/unloading labor, heavy lift, other agency clearance fees, license fees, permit fees, special forms processing, overtime, courier costs, intensive examination costs, truck waiting time, storage, demurrage, warehouse handling or manipulation or any other service not otherwise mentioned.
7. All services subject to our [terms, conditions, limits of liability](#) and instructions. All services provided on straight time during regular working hours. Your actual charges may be higher or lower depending on the actual weight, dimensions, value, description, scope of work, schedule, mode of transport, handling requirements, method of packing and circumstances of the actual shipment. All rates in U.S. dollars.
8. Payment for services required in advance unless credit arrangements have been agreed upon in advance. Payments made by credit card are subject to a 6% convenience fee. Bank fees associated with payments made by SWIFT, ACH or wire transfer are for the account of the sender/payer. We do not accept payment via Zelle or PayPal. Payments can be made on-line at <https://rockit.global/make-a-payment/>.

Payment Instructions:

Wire/ACH to: Bank of America, 100 W. 33rd St, New York, NY, 10001
Domestic Wire Routing Number: 026009593
International Wire Swift Code BOFAUS3N
ACH Routing Number: 071000039

To the credit of: Rock-it Cargo, 1002 Lititz Pike, Ste 238, Lititz, PA, 17543, Account Number 8670809862

Get the Show on the Road

TForce Freight Trade Show

Your booth is the centerpiece of your company's trade show presence. If it doesn't arrive intact and on-time, your business could miss out on a golden opportunity to gain exposure within the industry.

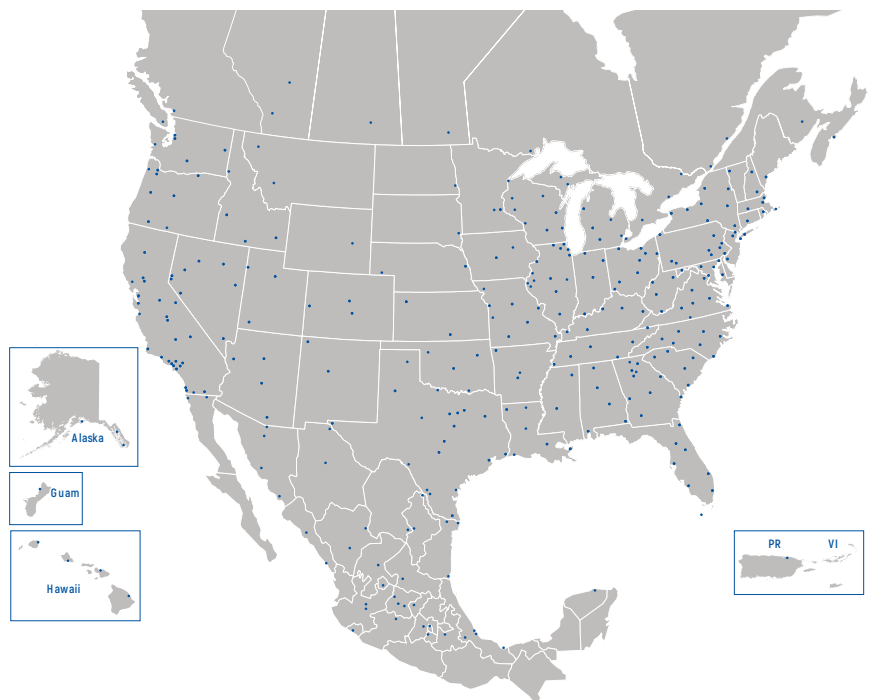

At TForce Freight, we understand your trade show needs, and we're here to ensure your trade show shipping experience is easier than ever.

Whether your booth is headed for the advanced warehouse or direct to the show site, the TForce Freight Trade Show team can provide you with dependable transit times at the right price — ensuring that your trade show experience goes off without a hitch.

Vast Network Coverage

TForce Freight Trade Show has established a massive network of more than 200 facilities throughout the United States. Which allows us to provide you competitive time-in-transit speeds to and from all major trade show markets.

TForce Freight Trade Show Features & Benefits

Guaranteed On-time

We are so confident in our ground freight shipping that we guarantee it's delivered on-time, or your money back.*

Professional Assistance

TForce Freight has trade show specialists available 24/7 to assist you with pre-planning your show. As well as, on-site Regional Managers to assist you with any questions or concerns during the show.

Real-Time Tracking

Experience advanced real-time tracking with TForce Freight technology. You can monitor packages, documents, and high valued goods and assets as they make their way from the loading dock to your exhibit.

Expedited Shipping

When you have a time-sensitive shipment that needs to be there, choose TForce Freight Expedited, and we'll put our seamless, multi-modal transportation network to work for you.

Faster Unloading

TForce Freight has developed strong relationships with several of the largest general service contractors, granting TForce Freight Trade Show with "Official Show Carrier" status at select venues. This allows TForce Freight to use a dedicated delivery door at the event, speeding up the delivery process.

Caravan Service

TForce Freight Trade Show has established a caravan service between select show locations. By joining the caravan you'll streamline your shipments and have your booth delivered to our advanced warehouse days before the show starts.

For more information or to schedule a pickup, please contact TForce Freight Trade Show at: 800-988-9889 or tforcefreight.com

*Applies for trade show deliveries only. No-fee guarantee applies for shipments rated on current 560/525 tariff only. Shipments rated on customized rates are eligible for a "fee-based" guaranteed service. Certain restrictions apply. See rules tariff for more information.

Submit your Hostess/Booth Talent Request [here](#).

Registration / Badges for Associates

The Exhibitor is responsible for registering each associate for a badge that will gain them access to the show floor and also must absorb any/all costs associated with badge registration. The Exhibitor is also responsible for meeting the associate on opening day to give them the badge. If the Exhibitor prefers, the associate can pick up the badge provided by the Exhibitor at Exhibitor Registration and meet the Exhibitor at the booth.

Cancellation by Exhibitor

Cancellations received after a contract has been signed, will be charged at 50% of the Total Bill. Cancellations received 14-days or less before the show will be charged at 100% of the Total Bill. (a) Exhibitor acknowledges and agrees to the CANCELLATION CHARGES set forth in the contract. If Exhibitor, or Agent on behalf of Exhibitor, cancels prior to the event, the Exhibitor will be subject to this Agreement. Upon such cancellation, Exhibitor/Agent excuse Event Pros, LLC and Talent from further performance under the terms of this Agreement. (b) The Exhibitor acknowledges and agrees that the Exhibitor or its Agent may only terminate or cancel Talent after commencement of the event subject to the Agreement, upon showing a good cause. "Good cause" is defined as a willful breach of duty by the Talent in the course of his or her performance, or in the case of the Talent's habitual; neglect of duty or continued incapacity to perform that duty. In the event of good cause as defined above, prior to terminating cancelling the Talent, the Exhibitor must provide Event Pros with a reasonable opportunity to cure the inadequate performance of the Talent by allowing Event Pros to notify the Talent of the alleged breach of duty and/or replacing the Talent with an alternate in order to rectify any performance inadequacies. In the event Exhibitor terminates or cancels Talent without providing Event Pros with the aforementioned opportunity to cure, the Exhibitor agrees to pay the entire fee due and owing as if the Exhibitor and Talent fully performed under the Agreement.

Indemnification

The Exhibitor shall indemnify, defend and hold harmless Event Pros, LLC from and against any and all obligations, debts, liabilities, claims, demands, losses, damages, lawsuits, and expenses of any third party in any way arising out of the services to be provided; however, such indemnifications shall not apply to acts of omissions of Event Pros, LLC which constitute willful misconduct or gross negligence.

No Solicitation by Exhibitor

The Exhibitor shall not solicit for employment or employ, nor refer to a third party for employment or employ, whether as employee or independent contractor, any person who is or has been provided to the Exhibitor through the services of Event Pros, LLC for a period of (2) years after the completion of any event for which Event Pros, LLC served as the booking agent.

Services to be Performed

Personnel retained by the Exhibitor will perform the specific duties described in the work order confirmation and will not be subjected to any undue emotional, physical, or sexual harassment from the Exhibitor and/or the Exhibitors' guests. Any such harassment will necessitate the withdrawal of personnel. The Exhibitor shall remain fully liable for payment of the total fee should such a withdrawal occur.

Meal Breaks and Rest Periods

The retained personnel shall be entitled to take lunch and breaks as outlined in the Work Order.

Overtime

The retained personnel will be eligible for overtime pay for hours in excess of 9 hours per day.

Subsequent Contracts

All future Work Orders will be performed under the same terms and conditions stated herein unless amended by written agreement.

Event Staffing Services

The foundation of our business is based upon our highly-trained and experienced event staffing professionals, who have earned us our winning reputation within the trade show industry.

PROMOTIONAL ASSISTANTS coordinate the trade show booth, hospitality suite, or a special event. These friendly and gracious professionals are at your service to greet customers, serve food/beverages and be available to assist your staff in any way possible.

BOOTH ASSOCIATES act as your booth ambassadors and quickly improve your results. Each associate is well versed in a wide range of booth activities such as running the front desk, distributing literature, greeting and directing visitors to appropriate areas and qualifying leads.

CROWD GATHERERS increase your booth traffic and gain exposure. The enthusiastic crowd gatherers will attract audiences for presentations or demonstrations, generate leads, collect/process lead forms, distribute and secure all theater promotional items.

CROWD GATHERERS/EMCEES are seasoned Associates who get on the microphone before each presentation to draw in the largest crowd possible as well as giving a brief description of the upcoming presentation in an informative and entertaining manner. They will continue to gather a crowd off microphone and on the show floor once the presentation has begun.

LEAD EXECUTIVE ASSOCIATES maintain all booth activities and is your "right hand" person. Familiar with all aspects of the trade show industry, the lead executive associate has a proven industry track record with the capacity to maximize booth effectiveness.

BOOTH SUPERVISORS manage every area of the booth as well as assisting in any booth needs. They can oversee the booth with no supervision and offer suggestions on how to get the optimum flow of traffic throughout the entire display. They have over five years of experience in the trade show and management areas.

PRODUCT DEMONSTRATORS connect and communicate with your target audience, explaining the nuances and subtleties of your concept with ease and comfort. Fully versed in your company, products, and services, they will convey the desired corporate message to your potential clients.

INTERPRETERS are versed in the language of your choice and familiar with international business practices. Our cordial and engaging bi-lingual and multi-lingual interpreters bridge the language gap with international clients, making them feel right at home.

PRESENTERS/ACTORS deliver your product message professionally and effectively. These highly-adept and confident public speakers will add clarity, style and sizzle to your presentation or video shoot. Audition videos demonstrating presenter/actor skills are available upon request.

SPECIALTY TALENT - We are a full service agency committed to meeting your needs. Therefore, we have access to providing you with Comedians, Celebrities, Musicians, Motivational Speakers, Performance Artists and more!

Enhanced Services

EVENT PLANNING/MARKETING—Let our marketing experts help you plan every aspect of your event for flawless execution. From concept development, messaging, marketing campaigns and more, count on us to help you achieve event success.

TECHNICAL WRITING—Our talented team of script and technical writers are available to develop creative, effective and innovative ways to deliver your message.

PROJECT MANAGEMENT—Project Managers work with you on pre-show planning, on-site execution and post-show wrap-up. Consider these dedicated professionals as an extension of your own staff.

BOOTH STAFF TRAINING—An executive can train your in-house booth staff on essential booth etiquette as well as tips on how to maximize the effectiveness of the entire booth to make your event a complete success.

PRODUCTION SERVICES—The right presentation is critical to excite and maintain the attention of show attendees. Allow our team of production professionals to provide presentations that capture and build enthusiasm around your product.

LEAD CAPTURE SYSTEM—Our cutting-edge technology ensures that each new business opportunity is followed through to its furthest potential. Leads are the most valuable asset of a trade show and are efficiently collected with this innovative system.

POST-SHOW MEASUREMENT—Post-show measurement is an essential tool in evaluating our business. This valuable feedback offers a clear and precise analysis of every event, allowing you to evaluate overall success and build ideas for future programs.

**AUTHENTIC CHICAGO
VIBRANT FLAVORS
GARDEN TO PLATE**

WELCOME!

WE ARE EXCITED TO HOST YOU AT MCCORMICK PLACE,
THE PREMIER CONVENTION FACILITY IN NORTH AMERICA.

Is the food & beverage division of Oak View Group and the fastest-growing hospitality company in the world, an achievement we earned by re-imagining food service and designing for an evolved audience. We are at the forefront of culinary excellence because we continually challenge the norms and evolve our operations to maximize guest and client satisfaction. OVG Hospitality was conceived and created to address a desire to feed all of the senses. This is show business, and guests expect an elevated hospitality experience via imaginative sights, smells, sounds, and tastes.

We make food exciting, we serve it with speed, and we are committed to embracing the flavors, brands, and cultures of the communities where we do business. Being immersed in a foodie city like Chicago, our culinary team is committed to bringing forward the vibrant flavors found throughout the many iconic neighborhoods to create an authentic experience for our guests.

Our Director of Culinary Innovations, Executive Chef and entire team celebrate the diversity of the city and continue to build local partnerships to provide a best-in-class experience for every event.

HEALTH, SAFETY & SUSTAINABILITY

Has created an enhanced food service experience while being committed to your health and safety. We adhere to the Cook County Health Department's meticulous food service standards and require staff to be ServSafe-certified by the National Restaurant Association in proper food handling. Your health and safety are at the forefront of our services, therefore we have added additional safety protocols outlined below.

STAFF

- Staff may be required to wear face masks and gloves during food preparation and serving depending upon service restrictions at the time of the event.
- All staff may go through employee health screening upon arrival prior to reporting to their assigned area.
- Proper distancing of staff and product in food preparation areas accordingly.
- Implemented cleaning and disinfecting protocols that focus on high contact/touch points both in back and front of house.

MENU & SERVICE UPDATES

- Increased options for pre-packaged food and beverage products.
- Adjusted menu items where applicable to be displayed in individual portions instead of bulk.
- Increased action stations with chef to individually prepare items over buffet service.
- Compostable single-use sustainable products.
- Modified beverage stations with touch-less or attended service when possible, based upon any service restrictions at the time of service.
- Individually packaged single serve condiment options wherever possible.
- Social Distancing may be implemented that is consistent with local government regulations and guidance at the time of service.

CATERING LAYOUT

- Following table seating capacities that are consistent with local government regulations and guidance.
- One-way guest flow on buffets is recommended to be used to minimize contact between guests, plates, glasses and cutlery where possible
- We ask that you allow for additional set up and move out time, for all catered functions, for additional environmental cleaning measures before and after events.

OVG HOSPITALITY BELIEVES THAT SUSTAINABILITY AND FOOD & BEVERAGE DECISIONS ARE INSEPARABLE.

- 8,000 pounds of farm-to-table produce is harvested annually from the McCormick Place Rooftop Garden. This 2.5 acre rooftop garden is the largest in the Midwest. With an amazing varietal of vegetables, fruits, herbs, edible flowers, perennials, native prairie flowers, a small orchard and more, our culinary team has the ability to bring a bounty of seasonal ingredients directly to our kitchen and guests' plates, reducing our carbon footprint.
- OVG Hospitality and McCormick Place is committed to sourcing local, organic and environmentally friendly products for over 33% of all food purchased. We are proud of our pledge to do our part to reduce the overuse of antibiotics by using chicken, pork and beef in our menu that is raised without the routine use of antibiotics. With each meal we serve we are encouraging ranchers and farmers to move away from overuse of medicine in raising farm animals.
- We exclusively use disposable flatware and paper goods made from 100% BPI-certified compostable, plant based materials.
- McCormick Place is the first convention center in the country to make the switch to e-water for sanitizing.

**8,000
POUNDS**

Four Tons of Seasonal, Farm-Fresh Produce is Harvested Each Year

**95
VARIETIES
PLANTED**

Nearly 100 Different Varieties of Vegetables, Fruits, Herbs, Edible Flowers, Perennials & Bushes Were Planted Last Season

**THREE BEE
HIVES**

The Rooftop Garden is Home to 20,000 Bees that Pollinate the Garden's Crops & Produce 50 Pounds of Honey Each Year

For additional information about our Sustainability & Leadership initiatives, please contact your Catering Sales Manager, or email: infoovg@mccormickplace.com.

POLICIES

OVG Hospitality is the exclusive food and beverage provider for McCormick Place Convention Center. All food and beverage items must be supplied and prepared by OVG Hospitality. No food or beverage of any kind is permitted into the facilities by the patron or any of the patron's guests or invitees (exclusive of Exhibitor Personal Consumption Policy). Food items may not be taken off the premises; however, excess prepared food is donated under regulated conditions to agencies feeding the underprivileged.

MENU SELECTION

The menus have been designed to maximize the guest's satisfaction. To assure availability of menu items, please provide the Catering Sales Manager with the food and beverage selections a minimum of three (3) weeks prior to the first function. Every effort will be made to accommodate requests for special, religious or dietary requirements that OVG Hospitality is made aware of.

PRICING

Published pricing does not include administrative fees (21.5%) or applicable taxes. A good faith estimate of food and beverage prices, will be provided in advance of the event's start date and will be confirmed at the signing of the contract. However, due to fluctuating market prices, we reserve the right to make product substitutions based on specific commodity price increases. OVG Hospitality reserves the right to make menu substitutions and revise the style of service due to supply interruption and/or health and safety regulations caused by any health crises that may arise. Please discuss the styles of service for all buffet services and the additional costs with your Catering Manager.

SERVICE CHARGES

All catered events are subject to a 21.5% management fee. 21.438% of this Management Charge is distributed as tips/gratuities to the employees who provide service to guests in connection with the catered event. The remaining 1.562% of this Management Charge is the sole property of the McCormick Place, as applicable, is used to cover that party's costs and expenses in connection with the catered event and the administration of the event (excluding employee tips, gratuities, and wages), and is not charged in lieu of a tip or gratuity. This portion of the Management Charge is not a tip or gratuity, nor is it purported to be a tip or gratuity, for any employee who provides service to guests (e.g., wait staff employee, service employee, service bartender, and the like), and no part of this portion of the Management Charge will be distributed (as a tip, gratuity, or otherwise) to any employee who provides service to guests.

GUARANTEES

In order to ensure the success of the function(s) and the satisfaction of the guests, food and beverage quantity guarantees must be received by the Catering Sales Manager no later than five (5) full business days (Monday through Friday) prior to the event for functions up to 1,000 guests. Functions of 1,001 guests or more must be guaranteed ten (10) full business days prior to the event. Functions with 5,000 guests or more must be guaranteed fifteen (15) full business days prior to the event. The Customer may be required to provide a guarantee earlier if special products or preparations are required. If the guarantee is not received, OVG Hospitality reserves the right to charge for the expected number of guests or quantities specified on the Banquet Event Order(s). If the attendance is higher than the given guarantee, the charge will be for the actual function attendance. Increases and/or new orders made within three (3) days (72 hour processing fee) of the function are subject to an additional 20% fee based on the menu price.

OVG Hospitality will prepare to serve 3% over the final guarantee (for seated meal functions only) up to a maximum of 30 guests. The Customer will be charged for the greater of the actual number of guests served as the final guarantee amount. OVG Hospitality reserves the right to make reasonable menu substitutions, as necessary. Functions requiring over preparation greater than 3% will be subject to additional labor fees.

SERVICE STAFF

Guest to server ratio is based on the type of function. The standard is one (1) server per twenty (20) guests for plated meal functions and one (1) server per forty (40) guests at buffet functions. Additional health and safety regulations may be implemented requiring additional service should any health crises arise. Please discuss the styles of service for all buffet services and the additional costs with your Catering Sales Manager. For additional staffing requests or guarantees for less than twenty-five (25) guests for plated or buffet functions, labor fees will be applied. Holiday labor rates may apply.

EVENT TIMELINE

Breakfast and lunch are based on up to a three (3) hour service and dinner is based on up to four (4) hours of service. Extended service time will be subject to additional labor fees. Function start or end times that deviate more than thirty (30) minutes from the time indicated on the Banquet Event Order will have additional labor fees per hour, per server scheduled.

BEVERAGES

OVG Hospitality offers a complete selection of beverages to compliment your function. Alcoholic beverages and services are regulated by the Liquor Control Board. OVG Hospitality, as licensee, is responsible for the administration of these regulations. No alcoholic beverages may be brought onto the premise from outside resources, nor may it be removed from the premises. We reserve the right to refuse alcohol service to intoxicated or underage persons. Where applicable, Customer is responsible to pay all minimum sales guarantees included on Banquet Event Orders. Customer will receive credit for retail sales, not to exceed amount of minimum sales guarantee listed on the Banquet Event Order for that function.

PAYMENT/DEPOSIT/CONTRACTS

An initial deposit in the amount noted on the Catering Contract is due on the date specified. The amount of this deposit is 50% of the estimated catering expenditure based on planned functions. The signed contract and deposit are due forty-five (45) days in advance of the event. The actual revenue will be based on the signed Banquet Event Order(s) and guarantee(s). The remaining balance of the deposit is due fourteen (14) business days in advance of the first function. A 3.5% fee will be assessed on all payments made by credit card of \$5,000.00 or more. This fee will be due at the time of credit card payment and is non-refundable. No transaction fee will be assessed on payments made by check or ACH.

CANCELLATIONS

In the event that a group should cancel with McCormick Place, the catering deposit will be refunded based on a sliding scale. Please refer to the Catering Contract for specific details. In the event that a function cancels after the guarantee date, payment in full for the estimated revenue based on the menu and event arrangements are required.

RETAIL/CONCESSIONS SERVICE

Appropriate operation of concessions outlets will occur during all show hours. OVG Hospitality reserves the right to determine which carts/outlets are open for business and hours of operation pending the flow of business. Should additional service locations be requested, a minimum sales guarantee and related fee may apply.
