

Help the Local Chicago Community!

Are you bringing samples for demonstrations such as detergent, soap or non-perishable food items? Will you have extra bottled water from your booth catering or furniture that you purchased for the show that you want to ship back? Instead of discarding these items after the show or shipping back to your office, PMMI is organizing a [Material Donation Program](#) to collect these items and more for donation to local charities serving the Chicago area.

Acceptable items include:	Items we do not accept:
- Furniture	- Marketing materials or swag
- Non-perishable food	- Flooring / carpet
- Plants and décor	- Fresh, perishable or opened food
- Electronics	- Custom-built booth structures or displays

Interested in participating? Complete the form below by September 16:

[Submit Donation Request](#)

Please note that submitting this form DOES NOT confirm acceptance of items for donation. During move-in for PACK EXPO International, a Floor Manager will stop by your booth to inspect your donation(s) and if approved, will give you “Hold for Collection” stickers to place on materials approved for donation. All donations will be collected by Show Management at the end of the show.

Questions? Contact expo@pmmi.org.
