Plumbing Service

Discount Deadline:
February 3, 2025

- Your order with full payment along with a floor plan indicating main power location and distribution points, if applicable, **must be received prior to Discount Deadline date to receive Advance rates.**
- All package outlet prices shown for Electrical and Compressed Air include all cords, cables, hoses, and connection materials. Custom material items like quad boxes, disconnects, transformers, or breaker panels, etc. are not included in the bundle.**
- Prices are inclusive of all taxes / fees.
- Outlet Services are offered both overhead and floor but not all options are available for each outlet type - please check before ordering.
- Overhead outlet rates include lift equipment and labor.
- Pricing Excludes:** Ramping which is time and material cost, any applicable fees or taxes, any above and beyond the normal requests for hardware, specific brand products, pressure regulator valve installations, and/or major equipment/machinery retro fitting and assembly. All work requested to be done outside of the outlet service scope of work. This will be done at the published hourly labor rates and thus noted on change order or supplemental work tickets which will be signed by the exhibitor(s) as the work is performed and completed.
- Any floorwork/distribution labor will be billed on actual work performed. Note: All floorwork cords / hoses must be installed by utility suppliers and must be run under carpet.**
- A HOOKUP fee is required for each service:** includes Nominal AM. standard air, water, drain, and gas from 1/8" - 1". All connections not standard will incur an additional labor and material charge . We do not supply Metric fittings for connections.
- Hookup and disconnect labor for machines will be billed on actual work performed. *All hookup labor is on a WILL CALL basis; check in at the Exhibitor Service Center 24 hours prior to verify hookup time.**
- Multiple Outlet Locations:** A scaled floor plan is required for orders with multiple outlet locations and/or island booths. (Please see examples of ideal floorplan). If a power location or main drop in an island booth is not provided prior to show move-in, a location will be determined by PACK EXPO Services in order to maintain delivery schedules. Relocation of the service will be charged on a time and material basis.
- Island Booths:** For island booths with no labor ordered, there is a 1 hour minimum installation charge and a 1/2 hour minimum dismantle charge.
- Credit will not be given for services installed and not used. All orders are subject to a 25% cancellation fee if cancelled in writing and received by PACK EXPO Services (21) calendar days or less prior to the first contracted event move in date. Except sales tax, PACK EXPO Services will not refund overpayment in amounts less than \$50.00 unless specifically requested in writing.

PLUMBING JURISDICTION

The work described below falls within the jurisdiction of PACK EXPO Services Plumbers and cannot be performed by any other union, I&D house or exhibitor. Contact our office for clarification regarding scope of work.

- Delivery of Air, Water, Fill & Drain & Natural Gas lines
- Distribution of Air, Water & Drain lines under carpet
- Installation of Natural Gas lines delivered from overhead

REVIEW EACH SECTION AND COMPLETE LABOR ESTIMATE ONLINE

A. Outlet Delivery & Removal

There is a minimum 1 hour labor charge for the delivery and 1/2 hour for the removal of each air, water, drain and natural gas service. If a lift is required to drop services from overhead, a minimum 1 hour for installation and 1 hour for removal will apply.

B. Outlet Distribution Throughout Booth Space

Air, Water and Drain lines are brought to one location at the rear of inline, peninsula and island booths. If you require the distribution of services to any other location within the booth space, there is a minimum 1 hour labor charge for distribution and 1/2 hour for removal, or 1/2 the total time of installation, whichever is greater.

C. Outlet Connections

Connection to exhibitor equipment is included in the cost of the service.

DISTRIBUTION OF SERVICES IN BOOTH SPACE

- A. Island Booths must provide the following information:
 1. The plumbing layout must indicate each outlet and its location with exact measurements
 2. Each location should indicate the type of service. All air locations must include CFM requirements.
 3. The plumbing layout must reflect booth orientation. Use surrounding booth or aisle numbers.
 4. Identify a main distribution point. Services are delivered to that point and then distributed to other locations.
- B. Inline or Peninsula booths must provide the same information with the exception of the main distribution point. The main distribution point will be located at the rear of the booth space
- C. Complete online what date will you begin building your booth
 - A. Date & Time
- D. Complete online if you will be utilizing any specialty floor covering other than carpet, such as vinyl or wood
 - A. Describe flooring
- E. Complete online what date and time do you estimate needing the physical connection to your equipment
- F. Complete online who the Show site supervisor will be including name, cell#, email and company name.
- G. This information allows PACK EXPO Services the opportunity to expedite move-in by having your plumbing distribution complete prior to your scheduled move-in time. Complete the "Labor Estimate" Section below. PACK EXPO Services will make every attempt to complete the work prior to your arrival.

LABOR RATES AND HOURS

Labor	There is a minimum of 1 hour for installation and 1/2 hour for removal. For installation labor greater than 1 hour, dismantle is 1/2 the total installation time.
Straight Time \$146.30	Monday—Friday, 8:00 am—4:30 pm, except holidays
Overtime \$210.40	Monday—Friday, 4:30 pm—8:00 am; Saturday, Sunday and Holidays
Lift \$319.30
