International Shipments

Neither PMMI nor the Georgia World Congress Center can provide a tax ID number for customs clearance. It is the responsibility of a licensed customs broker to provide this service and ensure materials can be shipped into the United States. All freight should be consigned to a certified broker for customs clearance.

Machine Spotting On the assigned target date for the arrival of your equipment, the exhibitor must have a representative at show-site who will ensure electrical/plumbing and carpet is down. Representative is also responsible to mark floor with location of machines and be present when spotting machines to take advantage of one-time spotting included in space rate.

Empties and Stickers

Please ensure all crates, boxes and skids are empty prior to adhering empty stickers and they are clearly marked. Stack your skids and mark them for easy identification by color coding or stenciling. PES empty label stickers can be obtained at the Exhibitor Service Center. Please ensure all old stickers are removed to avoid confusion on empty return.

Your installation and dismantle rigging crew removes and returns empty machinery skids and machinery crates from the booth and places them in storage as part of a rigging labor order. Please do not sign out your forklift crew until machinery skids are placed in storage.

Hanging Signs

If you require hanging sign or booth labor on the 1st day of move-out, you must confirm your labor one day prior by 2pm at the Exhibitor Service Center. Due to the high demand for Rigging crews and Booth Labor on the 1st day of show close, wait times will be longer than usual. PES will attempt to take down hanging signs as quickly as possible. If crates are required to dismantle, please refrain from ordering labor until after empty crates are returned.

If the carriers do not match, **THE FREIGHT WILL NOT BE RELEASED.** Please log in to the Exhibitor Resource Center to fill out your pre-printed Material Handling Agreement (MHA) information.

Please make sure there is a contact and phone number on your MHA to answer any questions regarding your carrier pick-up in the event there are any questions. A company representative must remain onsite during the move-out to ensure freight is successfully picked up and loaded on your selected carrier. Freight is under the responsibility of the exhibitor until it is picked up.
