

**A NEW HUB  
FOR INNOVATION**

## Help the Local Community!

Did you bring samples for demonstrations, like detergent, soap, or non-perishable food items? Do you have extra bottled water from your booth catering or furniture you purchased for the show? Instead of discarding or shipping these items back to your office, why not make a meaningful impact? PMMI is collecting these items and more to donate to local charities in the Atlanta area through the *Material Donation Program*. It's a great way to give back to the community and make the most of your leftover materials. Be a part of this generous initiative and help those in need!

Acceptable items include:	Items we do not accept:
- Furniture	- Marketing materials or swag
- Non-perishable food	- Flooring / carpet
- Plants and décor	- Fresh, perishable or opened food
- Electronics	- Custom-built booth structures or displays

**Complete the form below by  
February 7, 2025 to participate.**

*Please note that submitting this form DOES NOT confirm acceptance of items for donation. After completing the submission form, a Floor Manager will stop by your booth to inspect your donation(s) and if approved, will give you "Hold for Collection" stickers to place on materials approved for donation. All donations will be collected by Show Management at the end of the show.*
