

## Help the Local Community!

Are you bringing items for demos like soap, detergent, or non-perishable food? Will you have leftover bottled water from booth catering or extra furnishings you don't want to ship home? Instead of tossing them or shipping them back to your office, consider making a difference. PMMI's **Material Donation Program** is collecting these types of materials, and more, to benefit charities in the Las Vegas area. It's an easy way to give back, reduce waste, and extend the impact of your presence at the show. Join us in supporting those in need — your donations can go a long way!

| Acceptable items include: | Items we do not accept:                     |

*Please note that submitting this form DOES NOT confirm acceptance of items for donation. After completing the submission form, a Floor Manager will stop by your booth on-site to inspect your donation(s) and if approved, will give you "Hold for Collection" stickers to place on materials approved for donation. All donations will be collected by Show Management at the break of the show on Wednesday.*
